Southern Railway Diesel Locomotives And Trains 1950-1982:

Southern Railway Curt Tillotson, 2003-09-20 Curt Tillotson takes a close and personal look at the Southern Railway through his own photography in the period 1960-1982 with some photos from others going back to about 1950. He treats every class of diesel owned by the Southern from beginning to end. Some roster or portrait type photos are included but the bulk of the book comprises superb action photography with the locomotives and trains in a variety of settings. His extended captions capture the feel of the era of transition.

Diesels of the Southern Railway 1939-1982 Paul K. Withers, Warren L. Calloway, J. Harlen Wilson, 1997-01-01 *Locomotives and Trains of the Southern Railway System from Wood-burners to Diesel-powered Streamliners ...*, 19?? *Locomotives of the Southern Railway 1925*, 1925 *Locomotives of the Southern Railway* Southern Railway (U.S.), 1925 **Locomotives of the Southern** Southern Railway (U.S.), 1928 **Vintage & Modern Diesel Locomotives** Stanley W. It had the misfortune to be sandwiched on Southern metals between the classic and much revered King Arthurs and Schools and by Bullied's controversial Pacifics. In such company any design might suffer by comparison. And yet when first appearing they attracted plaudits from railway professionals including the footplate crew and the public alike. But with only 16 being built their impact was muted and any faults in their design were magnified beyond their actual impact. In truth they deserved far better than this and were in fact sturdy reliable performers that served the company well on the heavy boat trains for which they were designed and across their other passenger services for 30 years and more in peace and war. Much has been written about these locomotives but no story is ever complete with new information and photographs emerging to deepen our understanding of them. This book provides an in-depth view that re-examines these impressive engines using new material, eye-witness accounts, contemporary assessments and more than 200 photographs and drawings *Locomotives of the Great Southern & Western Railway* Jeremy Clements, Michael McMahon (Railfan), Alan O'Rourke, 2020 **The Love of Trains** Victor Hand, Harold A.
