Twentieth Century Crime & Mystery Writers NA NA,2015-12-25 **Rape in Period Drama Television** Katherine Byrne,Julie Anne Taddeo,2022-02-21 Rape in Period Drama Television considers the representation of rape and rape myths in a number of the most influential recent television period dramas Like the corset has become a shorthand for women s oppression in the past Sexual violence has long been and still is commonplace in television period drama often used to add authenticity and realism to shows or as a sensationalist means of chasing ratings However the authors illustrate that the depiction of rape is more than a mere reminder that the past was a dangerous place for women and some men In these series

they argue rape functions as a kind of anti heritage device that dispels the nostalgia usually associated with period television and reflects back on the current cultural moment in which the MeToo and Timesup movement have increased awareness of the prevalence of sexual abuse but in which legal and political processes have not yet caught up In doing so Rape in Period Drama Television sets out to explore the assumptions and beliefs which audiences continue to hold about rape rapists and victims

Cudham Church - A History of the Church of St Peter and St Paul, Cudham Diane Kemp,2018-11-23 The exact date when a church came into existence at Cudham is not known but there is a record of a payment of 7d for oil in the year AD 953 indicating that Cudham had a priest and a font and in a Saxon script reference is made to a church in AD 982 St Peter and St Paul Cudham is designated Grade II in the listing of Buildings of Special Architectural or Historic Interest described as an Excellent multi phase medieval church which underwent considerable restoration in the 1890 s The author draws on papers that have come to light over her 20 year tenancy of the ancient post of Churchwarden to write this first comprehensive history and guide to the church Where it helps to explain something or put it into context she has included additional reference information The papers hint at events in Cudham church s long history though they can barely scratch the surface of all that has happened to and in it since the local Christians built the original one This book goes some way to bring this history to life
