The French Communist Party in the Fifth Republic David Scott Bell, Byron Criddle, 1994 This up to date analysis of the French Communist Party sees it as an entirely unconventional political force not a normal party vying for office but a Leninist bureaucracy armed with an apocalyptic mission to deliver humanity from capitalism Its interests have been defined as part of an outpost of a world revolutionary movement and whilst its strategies may have varied they have done so in order to serve Soviet foreign policy purposes D S Bell and Byron Criddle trace the history of the Communist Party in France from its origins They focus in particular on the period since 1958 and explore the Party s unique organizational structures and international loyalties They examine structure and ideology relations with the Socialist party electoral performance and the 1980 s decline in the Party s fortunes This study will be essential reading for all students of contemporary French history and politics

Socialism Before the French Revolution William Buck Guthrie, 1907 The author contends that the ideas behind modern socialism are rooted in the time preceding the French Revolution The book is his attempt to systematize the early idea from important resources

French and German Socialism in Modern Times Richard Theodore Ely, 1883

SOCIALISM BEFORE THE FRENCH REVOLUTION A HISTORY WILLIAM B. GUTHRIE, PH.D., 1907

Socialism and the Experience of Time Julian Wright, 2017 How do we make social democracy by seizing the unknown possibilities of the future or by focusing our attention on the immediate present Julian Wright examines French reformist and idealist socialism s fascination with modern history using interlocking biographical essays to understand the timeframe of their social transformation

Wine, Sugar, and the Making of Modern France Elizabeth Heath, 2014-10-09 This is an innovative study of how race and empire transformed French republican citizenship in the early Third Republic Elizabeth Heath integrates the histories of the wine producing department of Aude and the sugar producing colony of Guadeloupe to reveal the ways in which empire was integral to the Third Republic s ability to stabilize a republican

regime that began to unravel in an age of economic globalization She shows how global economic factors shaped negotiations between local citizens and the Third Republic over the responsibilities of the Republic to its citizens leading to the creation of two different and unequal forms of citizenship that became constitutive of the interwar imperial nation state and the French welfare state Her findings shed important new light on the tensions within republicanism between ideals of liberty and equality and on the construction of race as a meaningful social category at a foundational moment in French history
