Historic Saskatchewan:

Illustrated History of Canada's Native People, Fourth Edition Arthur J. Ray, 2016-05-01 Canada's Native people have inhabited this land since the Ice Age and were already accomplished traders, artisans, farmers, and marine hunters when Europeans first reached their shores. Contact between Natives and European explorers and settlers initially presented an unprecedented period of growth and opportunity. But the two vastly different cultures soon clashed. Arthur Ray charts the history of Canada's Native people from first contact to current land claims. The result is a fascinating chronicle that spans 12 000 years and culminates in the headlines of today. In the preface to this new edition, Ray elaborates on the increasing effectiveness of Indigenous peoples and their leaders in bringing demands for justice to centre stage. He discusses recent court decisions, the final report of the Truth and Reconciliation Commission of Canada, and the hope for change following promises made by the new Trudeau government.

Hromada: The Changing Ukrainian Community in Saskatchewan

Alan B. Anderson, 2025-08-13 The story of any immigrant community at its core depicts the changing meaning of home and identity: the home and identity you leave behind, those which you build on new shores in new places in new ways. How any change to that home and identity changes the children who grow up into it, how in a very real way each new generation is built from the foundation of the home and identity the previous generation laid down. This story is about Ukrainian Canadians who first settled in large, often robust communities in Saskatchewan, beginning in the late 1890s. How has the Ukrainian community in Saskatchewan been changing with each generation since the arrival of the first settlers? This book describes what became of those first arrivals. How did their birthplace shape them? Where did they settle and how? How were the relationships between different communities and ethnic groups in Ukraine translated on the other side of the Atlantic? Even after growing into their new home, these communities faced massive rural depopulation that would impact subsequent generations and those home communities. We follow in their footsteps, tracing the new challenges they faced in cities and how they would understand and maintain their cultural identity today. Since 2022, the arrival in Saskatchewan of thousands of individuals and families displaced by Russia's full-scale invasion of Ukraine has proven challenging but has been supported by the existing strong Ukrainian Canadian community here.

Duty with Honour: the Story of a Young Canadian with Bomber Command in the Second World War Elizabeth A.

Reynolds,2010-09-13 The role of Bomber Command in World War II has been hotly debated over the years Whatever one may think about the effectiveness and morality of the overall strategy it is difficult to question the commitment of the individual airmen Bomber Command suffered the greatest loss per capita of all the Allied forces experiencing a 63 per cent casualty rate At one point during the war a navigator could expect to survive fewer than 12 bombing operations Duty With Honour is the story of one young navigator who served in the Royal Canadian Air Force from 1940 1945 Flight Lieutenant Lindsay Reynolds completed a tour of operations in the Middle East and returned home in 1943 to instruct in the British Commonwealth Air Training Plan in Canada This is the story of the impact of his experiences in a time of war on the life he lived when World War II was over It is a story of one mans commitment to duty with honour **Historical Church Atlas**
