A Unique Man's Journey Through Life Hiram Sloan,2022-11-03 Many times I have been told that I should write a book about my life because I was different unique or profound I had the highest grades in grade school and high school and I drove myself to the first grade in the family car at six years old My mother and father had a relationship that was not harmonious as did the mothers and fathers of my friends That set my objective to earn a PhD in relationship psychology When World War II started I also wanted to serve my country A Unique Man s Journey through Life is the story of how I accomplished all that in spite of not having enough money and having medical problems When I was told that was impossible I did not listen and I never had any doubt I thought if I doubt myself how could I get anyone else to believe me I also helped many other people solve their
