Suddenly Sixty Five:

The Surprise Auction Ruth Giles, 2021-07-20 Starling Rose loves to go to auctions where she can find many unique treasures. Her brother was the Auctioneer at the auction as she experiences the joy of the winning bid. She is confronted with challenges from the box lot items to the old comforters that she purchased at the auction. She is a single mother of two children trying to balance her personal aspirations and her dreams of successfully raise them to adulthood. She tells about how she shared her treasures from the auction and taught her children the joy of giving back. The road may be rocky at times but the key is to find joy in the journey. It was a journey she was going to have to take in order to heal and move on with her life.

The Sudden Disappearance of Seetha Andrea Gunraj, 2010-06-22 Neela Keetham and her brother Navi yearn to escape their hometown of Marasaw. Living with their grandmother after their mother had left years before to find work abroad, they struggle against the poverty and limited opportunities available in Marasaw. Navi hopes to prosper from his talent as a math prodigy while Neela constantly battles to find some talent to rival her brother's. Despite the support of their grandmother and friends, both Navi and Neela find that escaping their circumstances much less their past is no easy task. The siblings make their separate ways out of Marasaw but each must make sacrifices and damaging compromises along the way. They also learn dark and dangerous truths about each other driving them apart in fear and anger. As Navi and Neela work tirelessly to create new lives for themselves, the outside world far from being a paradise is revealed as more punishing and unfair than the world they left behind. Navi wins a prestigious government internship but his success ironically snuffs out the opportunity for a lasting loving relationship with a fellow intern. On the strength of rumours and the word of her boyfriend Jaroon, Neela daringly makes her way to a resort town hidden in the rainforest to work as a teacher only to find that this Eden and Jaroon are not what they seem. Chastened and wiser for their experiences, Neela and then Navi are both forced by circumstances to return home. The disappearance of Neela's daughter Seetha leads them back to each other and into the complex and mysterious bonds of family. To save Seetha, Neela and Navi must attempt to heal their damaged relationship and along the way they discover that in the cruel and imperfect world in which they live, hope may still prevail. **Harlequin's**
