Behind the Gates of Gomorrah Stephen Seager, 2014-09-16 Seager was no stranger to locked psych wards when he accepted a job at California's Gorman State hospital known locally as Gomorrah but nothing could have prepared him for what he encountered when he stepped through its gates Unit C where Seager was assigned was reserved for the mass murderers serial killers and the real life Hannibal Lecters of the world This account of his rookie year blends memoir with a narrative science explaining both the aberrant mind and his own determination to remain in a job with a perilously steep learning curve

*High Yellow...But a Black Woman Forever More!* Deborah Cofer, 2006-09 Boy has this been one heck of a spiritual journey Little did I know that the path leading to the Kingdom of God would take me into and through the bowels of hell but I made it there and back All I can say is thank God for God His goodness grace and mercy From the Introduction to High Yellow But A Black Woman Forever More A Poetic Anthology of a Spiritual Journey It is said that to know one's self is the key to reaching new horizons and maximizing human potential and it's true But truly knowing one's self without knowing one's spiritual identity is akin to a person who is physically blind driving a car It's absolutely impossible In High Yellow But A Black Woman Forever More A Poetic Anthology of a Spiritual Journey author Deborah M Cofer highlights her efforts and sacrifices as she explores her inner self others and the world around her Every poem is its own unique story of bringing to the surface hashing out understanding and making peace with struggle in order to arrive at new heights in her evolution both as a woman and as a member of the human race Cofer's poetic accounts are both powerful and deeply profound

**Golf Is from Satan** T. Patterson, 2001-01-22 Born of a seething near psychotic indifference to golf that was transformed during its writing into the nihilistic and passionate obsession of a student in a Parisian school for acrobats and clowns Golf is From Satan is the first book about golf that seeks and tells the truth about a game that longs to ascend to the heavens of public imagination on the singed wings of demons This book sings instructs will send the reader into convulsive fits of nervous laughter save or send the reader to hell then finally and suddenly yield up the hidden secrets of the universe And it's just a golf book that admittedly has little to do with golf itself

*Daughter of the Burning City* Amanda Foody, 2017-07-25 From the New York Times bestselling coauthor of All of Us Villains Sixteen year old Sorina has spent most of her life within the smoldering borders of the Gomorrah Festival Yet even among the many unusual members of the traveling circus city Sorina stands apart as the only illusion worker born in hundreds of years This rare talent allows her to

create illusions that others can see feel and touch with personalities all their own Her creations are her family and together they make up the cast of the Festival s Freak Show But no matter how lifelike they may seem her illusions are still just that illusions and not truly real Or so she always believed until one of them is murdered Desperate to protect her family Sorina must track down the culprit and determine how they killed a person who doesn t actually exist Her search for answers leads her to the self proclaimed gossip worker Luca Their investigation sends them through a haze of political turmoil and forbidden romance and into the most sinister corners of the Festival But as the killer continues murdering Sorina s illusions one by one she must unravel the horrifying truth before all her loved ones disappear
