

Dear,

I wish to extend my deepest appreciation to the bus drivers of School District #309 for the excellent job they do each day delivering the students safely to school. Drivers have encountered difficult road conditions many times this school year, but have safely and efficiently delivered the children to school and to their many activities. We travel almost 400,000 miles in a school year. Bus drivers transport students from 3 years old to 22 years old. They are expected to monitor students of all ages that sit behind them, while driving the school buses down busy and sometimes difficult roads.

Please tell them thank you if you see them this coming Wednesday. They are: Jeff Hanson, Larry Mckeever, Mike Heegard, Paul Hanisch, Andy Trudeau, Bob Mack, Dan Atkins, Brad Vanbuskirk, Art Symanietz, Shawn Mahowald, Sheldon Griess, Jay Pilkey, Tony Olson, Charlie Arvik, Roger Hocking, Chuck Rognstad, John Zinniel, Darin Hafner, Curt Sumner and Substitute Drivers Jeff Dickie, Paul McKibben, Jerry Munson, Phil Sailer, Steve Safratowich, Kevin Tupy, Mark Waller, Spike Wellman, John Wilhelm. Also, a big thanks to Gene Maves and Mike Hed for keeping the buses in sound mechanical condition.

Coming To America? Muchina, 2021-06-07

In *Coming to America* The untold truth about living and working in America as an immigrant, award winning author Muchina says it's time that someone finally told the bitter truth about what it's like to live and work in America as an immigrant. Over a million people migrate to the United States every single year. What most of them don't know is that life in America is completely different from the America they see in the news or movies or American TV shows. In *Coming To America* Muchina talks directly to new immigrants as well as those planning on migrating to the United States in the future. With well researched statistics and figures he details the income of an average immigrant as well as the true cost of living and the sacrifices required in order to have a decent life while supporting family back home. Close to a million immigrants become undocumented every year. Muchina dedicates a few chapters to speak to those that may end up overstaying their visas or falling out of status for various reasons. The challenges faced by undocumented immigrants are many but millions of them find ways to get jobs, buy cars, rent apartments and even start their own businesses. The question is How do they do it? Those answers plus alternative documents the government makes available for undocumented people to open bank accounts and pay taxes to states that offer driver's licenses to undocumented residents all found within the pages of this book. In the final chapters of the book Muchina shares his story of how his obsession with the pursuit of the American dream cost him everything he owned and nearly destroyed his life in the process. He tells his compelling, poignant story as a warning to others whose desire to make a lot of money may lead them down the wrong paths with dire consequences. Mostly with his deep understanding of how the American system works he brings the wisdom of knowing What not to do as well as what aspects of life one must protect in order to build a decent and fulfilling life in America. In his own words Muchina says This book is everything I wish someone had told me when I first came to America.
