The Killing Ground:

The Killing Ground Myke Cole, Michael Livingston, 2024-02-01 An exploration into why and how Thermopylae is one of the most blood soaked patches of ground in history and what its past can tell us about our future Brilliantly demonstrated Tom Holland Since the dawn of the Classical Era up to World War II thousands have lost their lives fighting over the pass at Thermopylae Historians Cole and Livingston provide an exciting account of each of the 27 battles and holding actions that took place The epic events of 480 BC when 300 Spartans attempted to hold the pass has been immortalised in poetry art literature and film But no history has ever detailed the other events from the very first battle through to the battles fought by Romans Byzantines Huns and Ottomans during the early and late medieval periods and finally the two desperate struggles against German occupying forces during World War II The Killing Ground details the background and history of each conflict the personalities and decision making of the commanders the arms and tactics of the troops and how each battle played out Cole and Livingston have surveyed the ground to provide a boots on understanding of each battle Their command of multiple ancient and medieval languages means they have provided their own translations of much of the source material ensuring new insights into each battle This uncompromising scholarship is woven together into a compelling and unforgettable history that grips the reader from start to finish

The Cormorant and The Killing Ground Bernice Charles, 2011-01-28 The Cormorant and The Killing Ground is a novel about the pressures of teaching and about two people who believe they have found true love Eight male high school faculty members spend many of their summer holidays playing at paintball The game turns deadly when one member Randolph Blake learns that another member much like a brother to himself Michael Fenell has sexually blackmailed the woman Josey Valchos into bed with himself Josie is also a member of the high school faculty where Randolph and Michael teach But what has Michael learned about Josey that is so alarming that she actually takes him to bed to keep him from telling Randolph The book ends with Michael and Randolph coming to one last violent game played out on the island called The Killing Ground where they play paintball Only Josey and Michael know the reason for the island's name the story travels back and forth in time showing the history of Michael and Josey's tie to each other It shows why Josey has changed her name has had plastic surgery has changed her hair color and why she hates Michael as deeply as she does Amid her scheming she never expects to fall in love with Randolph

The Killing-Ground Elleston Trevor, 1956 **The killing ground** David Karp, 1961 *The Killing Game* Mark Bourrie, 2016-03-08 On January 21 2015 a pro ISIS Twitter account reported that John Maguire a 23 year old university drop out from the Ottawa Valley town of Kemptonville had been killed fighting Kurds in the Syrian city of Kobani A few weeks

before Maguire had starred in a YouTube video threatening Canada for bombing ISIS forces in Iraq He is one of the dozens of young Canadians who have chosen to fight in a vicious conflict that really had little to do with them and with Canada Why would young people choose to fight in other people s wars especially one as bloody and cruel as this one Why has ISIS become so good at attracting foreign fighters This book examines the lure of this radical Islamist movement its religious beliefs sophisticated propaganda and vast social media networks ISIS is now a go to cause for alienated young people in the Islamic World and the West Does it offer answers to troubled young people Are ISIS s crimes slavery murder rape repression and the destruction of heritage sites an attraction in and of themselves What do we do about the people who take up ISIS s cause but stay in their home country What do we do with the ISIS recruits who come home The Killing Game examines what draws young men and women to join violent social political movements It looks at the psychology of young men and women today and the propaganda used by all sides in the Middle East conflicts as well as the security laws and the political initiatives that have been designed to stop Canadians from being radicalized From the irresistible lure of Marxist Leninism of the 1930s through the 60s and 70s and including the appeal of Nazism to young Germans in the 1930s this book also investigates what it is that draws young people to join and fight for causes as different as the Spanish Civil War of the 1930s and the Red Brigades of the 1970s but with an emphasis on the attraction of ISIS and radical Islam in our own time **Jubal Cade** Charles R.
