

A man with long, wavy brown hair, wearing a dark, segmented leather tunic and arm guards, sits on a grassy hill. He holds a dark, rounded helmet in his right hand. The background features a large, gnarled tree with autumn-colored leaves and a soft, hazy sky. The overall tone is dramatic and historical.

The Kings Peace Sulien Ser:

The King's Peace Jo Walton, 2000-10-13 A female warrior joins a king's quest to drive out barbarian invaders in this Campbell Award winning fantasy series debut Sulien ap Gwien was seventeen when the Jarnish raiders came Had she been armed when they found her she could have taken them all As it was it took six of them to subdue her She will never forgive them Thus begins her story one that takes her back to her family with its ancient ties to the Vincan empire that once ruled in Tir Tanagiri and forward to Caer Tanaga where the greatest man of his time King Urdo struggles to bind together the squabbling nobles and petty princes into a unified force that will finally repel the invaders and restore the King's Peace Ringing with the clash of arms and the songs of its people rich with high magic and everyday life The King's Peace begins an epic of great deeds and down to earth people *Starlings* Jo Walton, 2018-01-23 Starlings isn't really a short story collection It's something better a written showreel illustrating yet again that Walton's imagination stretches to the stars or the starlings and that she's endlessly inventive in finding new methods to express it NPR Books An ancient coin cyber spies on lovers and thieves The magic mirror sees all but can do nothing A cloned savior solves a fanatically inspired murder Three Irish siblings thief treasures with bad poetry and the aid of the Queen of Cats With these captivating initial glimpses into her storytelling psyche Jo Walton shines through subtle myths and reinvented realities Through eclectic stories subtle vignettes inspired poetry and more Walton soars with humans machines and magic rising from the every day into the universe itself

Farthing Jo Walton, 2013-12-24 Eight years after they overthrew Churchill and led Britain into a separate peace with Hitler the upper crust families of the Farthing set are gathered for a weekend retreat Among them is estranged Farthing scion Lucy Kahn who can't understand why her and her husband David's presence was so forcefully requested Then the country house idyll is interrupted when the eminent Sir James Thirkie is found murdered with a yellow Star of David pinned to his chest Lucy begins to realize that her Jewish husband is about to be framed for the crime an outcome that would be convenient for altogether too many of the various political machinations underway in Parliament in the coming week But whoever's behind the murder and the frame up didn't reckon on the principal investigator from Scotland Yard being a man with very private reasons for sympathizing with outcasts and underdogs and prone to look beyond the obvious as a result As the trap slowly shuts on Lucy and David they begin to see a way out a way fraught with peril in a darkening world Half A Crown Jo Walton, 2013-12-24 In 1941 the European war ended in the Farthing Peace a rapprochement between Britain and Nazi Germany The balls and banquets of Britain's upper class never faltered while British ships ferried undesirables across the Channel to board the cattle cars headed east Peter Carmichael is commander of the Watch Britain's distinctly British secret police It's his job to warn the Prime Minister of treason to arrest plotters and to discover Jews The midnight knock of a Watchman is the most dreaded sound in the realm Now in 1960 a global peace conference is convening in London where Britain Germany and Japan will oversee the final partition of the world Hitler is once again on British soil So is the long exiled

Duke of Windsor and the rising gangs of British Power streetfighters who consider the Government soft may be the former king's bid to stage a coup. At amidst all this two of the most unlikely persons in the realm will join forces to oppose the fascists a debutante whose greatest worry until now has been where to find the right string of pearls and the Watch Commander himself. *Ha'penny* Jo Walton, 2013-12-24 In *Ha'penny* England has completed its slide into fascist dictatorship. The last hopes of democracy seem extinguished. Then a bomb explodes in a London suburb. The brilliant but compromised Inspector Carmichael of Scotland Yard is assigned the case. What he finds leads him to a conspiracy of peers and communists of staunch King and Country patriots and hardened IRA gunmen to murder the Prime Minister and his ally Adolf Hitler. Against a background of domestic espionage and suppression a band of idealists blackmails an actress who holds the key to the Fuhrer's death. From the *ha'penny* seats in the theatre to the *ha'pennys* that cover dead men's eyes the conspiracy and the investigation swirl inexorably to a stunning conclusion. *Contemporary Authors New Revision Series* Amanda D.
