## **The Knock At Midnight:**

**And The Church Is Silent** Pastor Tim Morstatter, There is a growing liberal wing of the Church even in Evangelical denominations whose leaders are choosing to side with movements that align themselves more with the enemy rather than with the Father In the last 10 years the situation has escalated to the point where many church leaders are being deceived by cultural anti Christ forces In a sense the world has had more influence on the Church than the Church has had on the world These forces would like nothing better than to have a Silent Powerless and Compliant Church that will Know Nothing See Nothing and Say Nothing They are parading popular cultural trends dressed up in scripture before unsuspecting people who accept it all as Biblical Truth The Church has been Silent for way too long and because of that the people no longer recognize the difference The body of Christ needs to Stand Up and Speak Out The Church needs to operate in the Authority and Power given to us by Jesus Himself We can No Longer remain Silent It is time for the body of Christ to Re comprehend become Re aware Re discover her actual identity and along with it the authority that Jesus gave to that body to rule over satan and all of his minions We need to Re claim everything just as Jesus did as He ripped the gates off the hinges in hell when He reclaimed what God had given to Adam and Eve when He made them the ones to have dominion over all the earth all the animals and to be the ultimate earthly authority subject only to Him It is time to LET THE LION ROAR     *Letters to Martin* Randal Maurice Jelks, 2022-01-11 *Letters to Martin* contains twelve meditations on contemporary history and political struggles for our oxygen deprived society Evoking Martin Luther King Jr s Letter from Birmingham Jail these meditations written in the form of letters to King speak specifically to the many public issues we presently confront in the United States economic inequality freedom of assembly police brutality ongoing social class conflicts and geopolitics Award winning author Randal Maurice Jelks invites readers to reflect on US history by centering on questions of democracy that we must grapple with as a society Harkening to the era when James Baldwin Dorothy Day Reinhold Niebuhr and Richard Wright used their writing to address the internal and external conflicts that the United States faced this book is a contemporary revival of a literary tradition of meditative social analysis These meditations on democracy provide spiritual oxygen to help readers endure the struggles of rebranding rebuilding and reforming our democratic institutions so that we can all breathe     *Living in The Story* Charlotte Vaughan Coyle, 2021-08-26 What kind of book is the Bible Is it a rulebook or a guidebook for moral living Is it a history book or a book filled with fascinating and sometimes fantastic stories Did humans write the Bible or did God somehow speak a perfect message that the authors transcribed Many people have asked these questions about the nature of this beautiful odd comforting disturbing book the church calls its Holy Scripture Charlotte Vaughan Coyle shares her own journey to make sense of the Bible in this read through the Bible in a year project She discovered that the crucial work of asking hard questions and even arguing with the Bible revealed the Scriptures to be a symphony of polyphonic voices a work of art that paints an alternative vision of reality a complex novel like story unavoidably embedded in its own culture and time and yet

able to give witness to the God beyond history who has acted and continues to act within history With the heart of a pastor and the passion of a preacher Rev Coyle invites seekers and students both church and un church to strap on their scuba gear and join her for a deeper dive beneath the surface of this immense colorful mysterious world of the Bible

Barney Wiget,2022-04-28 In his most famous Sermon Jesus announces a Kingdom so counterintuitive that it appears upside down in contrast to conventional wisdom By prescribing both a revolutionary personal piety and a radical social possibility he teaches us how to become better people who in turn make the world better His vision for a countercultural Kingdom challenges our engagement with contemporary culture morally socially and even politically The impact of this Kingdom on the earth as it is in heaven with a view to partnering with Jesus in his venture to nudge the world toward its intended design is the focus of this compelling treatment of the Sermon By a lifestyle of holy nonconformity shaped by the Blessed Attitudes Beatitudes Jesus commissions his prophetic community to embody a social alternative that the world cannot imagine on its own and to foment a humble and loving cultural shift where the privileged and powerless flourish together in peace and justice As previews of the coming attractions when Christ will return and reign as King over a new heaven and earth Kingdom citizens work toward initiating such a world on earth as it is in heaven today *The Rhetoric of Christian Socialism* Paul H.
