Hershel Shanks

The Land Called Holy Palestine In Christian History Thought:

The Land Called Holy Robert Louis Wilken, 1992-01-01 Drawing on both primary texts and archaeology Wilken traces the Christian conception of a Holy Land from its origins in the Hebrew Bible to the Muslim conquest of Jerusalem in the seventh century

The Rowman & Littlefield Handbook of Christianity in the Middle East Mitri Raheb, Mark A. Lamport, 2020-12-15 This work represents the current and most relevant content on the studies of how Christianity has fared in the ancient home of its founder and birth Much has been written about Christianity and how it has survived since its migration out of its homeland but this comprehensive reference work reassesses the geographic and demographic impact of the dramatic changes in this perennially combustible world region The Rowman Littlefield Handbook of Christianity in the Middle East also spans the historical socio political and contemporary settings of the region and importantly describes the interactions that Christianity has had with other major minor religions in the region

Catholics and Jews in Twentieth-century America Egal Feldman, 2001 This book recounts the transformation of a relationship of irreconcilable enmity to one of respectful coexistence and constructive dialogue From the Inquisition to the Passion Play at Oberammergau the Catholic Church for centuries perpetuated a theology of contempt that reinforced antipathy between the two faiths Focusing primarily on the Catholic doctrinal view of the Jews and its ramifications Egal Feldman traces the historical roots of antisemitism examining tenacious Catholic beliefs such as displacement theology deicide and the conviction that the Jews purported responsibility for the Crucifixion justified all their subsequent misery and vilification A new era of Catholic Jewish relations opened in 1962 with Vatican II's *Nostra Aetate* No 4 This document brought about a reversal of the theology of contempt a de emphasis on converting Jews to Christianity and a determination to initiate constructive dialogue between Catholics and Jews Feldman explores the strides made in improving relations and discusses recent disputes including the erection of a convent near Auschwitz and the proposed canonization of the wartime pope Pius XII that reflect the fragility of the interfaith relationship This book underscores the magnitude of the change in Catholic thinking about Jews since Vatican II and the courage of thinkers and leaders on both sides in forging new bonds across the lines of faith

Defending Constantine Peter J. Leithart, 2010-09-24 Peter Leithart weighs what we've been taught about Constantine and claims that in focusing on these historical mirages we have failed to notice the true significance of Constantine and Rome baptized He reveals how beneath the surface of this contested story there lies a deeper narrative a tectonic shift in the political theology of an empire with far reaching implications

Jews, Christians and Polytheists in the Ancient Synagogue Steven Fine, 2005-10-11 Explores the ways in which divergent ethnic national and religious communities interacted with one another within the synagogue during the Greco Roman period

Majority World Theology Gene L. Green, Stephen T. Pardue, K. K. Yeo, 2020-12-01 More Christians live in the Majority World than in Europe and North America Yet most theological literature does not reflect the rising tide of Christian reflection coming from these regions Bringing together theological resources from

past and present East and West this work engages conversations with leading global scholars on theology faith and mission for the enrichment of the entire church *Church and Israel after Christendom* Scott Bader-Saye, 2005-01-31 Two seismic events mark the twentieth century as one of crisis for the Church The first is the demise of the Christendom paradigm that positioned the Church as spiritual sponsor of Western Civilization The second is the Holocaust the horrors of which have prompted both the Roman Catholic and Protestant churches to repudiate the teachings and attitudes undergirding their dark history of Jewish persecution The cumulative effect of these two events is that Christians have been called to rethink their own doctrines and practices especially with regard to the Church's prior conviction that it had replaced Israel in God's plan In his pathbreaking new work *Church and Israel After Christendom* Scott Bader Saye contends that a renewed understanding of Israel might provide resources to envision a faithful post Christendom Church Unlike theologians such as John Milbank and Stanley Hauerwas who have pointed to the Greek polis as a model for renewing ecclesiology the author suggests that it is not to Aristotle but to Abraham that the church should look in order to articulate and incarnate a faithful alternative to the voluntarism and violence of modernity The doctrine of election is the linchpin linking a renewed understanding of Israel with a renewed vision of the post Christendom Church By recovering a doctrine of election that is both non supersessionist and fully Trinitarian Christians may recover their political calling to embody a way of life shaped by covenant freedom and messianic peace *Biblical Translation in Context* Frederick W. Knobloch, 2002 Studies and Texts in Jewish History and Culture The Joseph and Rebecca Meyerhoff Center for Jewish Studies University of Maryland no 10 Scholars from various American religious denominations who are currently involved in producing new translations of the Bible directed to their constituencies discuss their methodology and philosophy of biblical translation Middle East Insight ,2002 Women's Voices Helen Fry, Rachel Montagu, Lynne Scholefield, 2005 Based on a unique dialogue to take place between a group of academic Jewish and Christian women over the past six years *Women's Voices* provides the reader with an accessible insight and a quite unique perspective on the new dimensions that women's voices contribute to wider Jewish Christian relations

BOOK JACKET *Dictionary of the Ecumenical Movement* Nicolas Lossky, 2002 The 700 entries in this dictionary have been written by leading figures in the ecumenical movement from all parts of the world Entries are fully cross referenced and many of the articles are enhanced by short bibliographies Entries cover faith and order dialogue mission and evangelism communication church and society theological education institutional histories and relations of Orthodox Protestants and Roman Catholics within the ecumenical movement Biographical sketches outline the contributions of some of the individuals who have furthered the cause of ecumenism in the 20th century Cross references direct the reader to more detailed information or to matters of related interest The Written World Amanda Jane Hingst, 2009 The *Written World* draws on Orderic Vitalis's writings to investigate the ways in which high medieval historians understood geographical space to be a temporally meaningful framework for human affairs Journeying Into God Tim Vivian, 1996 Saint Antony Abba Pambo

Syncletica of Palestine Saint George of Choziba Abba Aaron Saint Theognius Saint Omnophrius come to life through translations of biographical documents from Greek and Coptic Discussion of women the structure of a monastery miracles and relics and the cult of the saints illuminates the text **Christianity and Rabbinic Judaism**
 Hershel Shanks,1993 This book tells the story of the formation of classical Judaism and orthodox Christianity as parallel yet interlocking histories Here in a series of chapters written by leading scholars in this country and in Israel the reader is offered a general account of how during the first six centuries of the Common Era Judaism and Christianity took the form we recognize today **Judaism, Christianity, & Islam : a Sourcebook** Yaron ; Knysh Eliav (Alexander ; Williams, Ralph),Yaron Eliav,Alexander D. Knysh,2007 Travel Legend and Lore Ronald H. Fritze,1998 Travel Legend and Lore is your Baedeker More than 200 A to Z entries each with leads to further reading transport you to the places real and imaginary that have lured armchair travelers for millennia from the ancient Greeks to the American pioneers And the places are inhabited by humans and the not so human **The Monastic School of Gaza** Bruria Bitton-Ashkelony,Arieh Kofsky,2006 The book deals with the history of the monastic community in the region of Gaza in Late antiquity It examines the monastic career and teachings of central figures such as Abba Isaiah Peter the Iberian Barsanuphius and John and Dorotheus The social religious and material aspects of this community are discussed in comparison with other contemporary monastic centers **Islamic Studies** ,2001 **The New York Times Book Review** ,1993 Presents extended reviews of noteworthy books short reviews essays and articles on topics and trends in publishing literature culture and the arts Includes lists of best sellers hardcover and paperback
