The Language Of The Spirit A Visual Key To Enlightenment And Destiny:

The Language of the Spirit Jane Hope, 2003 A beautifully illustrated compendium of our major religions past and present as well as myth folklore and symbolism This book looks at the extraordinary variety of ways in which the existence of the spirit has been manifested in myth faith and ritual from the world of the Siberian shaman who travels in a dream trance to the spirit domain to bring back healing wisdom for his people to the Zen Buddhist monk whose life of meditation and ceremony is full of spiritual challenge Looking at major belief systems and religions past and present myth folklore and superstition as well as the esoteric wisdom of lost civilisations The Language of the Spirit provides a multifaceted portrait of man s attempts through history to find a meaning of the spirit

ENGAGING SPIRITUAL PRAYERS ISIAIAH

MACWEALTH, The prophets and disciples of old walked with God and in their walk they encountered challenges and mountains some of which we still experience today For instance the Bible talks of Elijah as a man of like passion who sought the face of the Lord in prayers and got results So also Abraham Moses David and many others who triumphed through the power of prayer So in this book we will study how they prayed what they prayed for and how they overcame their challenges through prayers Also as new creatures in Christ Jesus there are some prayers in scriptures that we need to understand which will help us in our spiritual growth and spiritual journey to maturity More importantly also understanding these prayers will help us in participating effectively in the prayer ministry of Christ In synopsis we will study the prayers of some patriarchs of faith some prayers of the psalmist the prayers of Jesus the prayers of Apostle Paul and finally study praying in tongues in detail what I refer to as automatic intercession

VICTORY OVER THE SPIRIT OF FEAR, ANXIETY AND CONFUSION

ISIAIAH MACWEALTH, One of the wiles that the adversary employs against believers especially in these last days is fear The spirit of fear is one of the most powerful principalities that operates on the earth today Just as the saying goes the degree to which you know your enemy and understand his tactics will determine the degree to which you can be victorious over him This makes it important for us to understand what the spirit of fear is how it operates and how to deal with it This is what this book is about

The British National Bibliography Arthur James Wells, 2005

DISARMING THE DEVIL IN PRAYERS

ISIAIAH MACWEALTH, Prayer is work hard work carried out with the intent of getting answers or results And there are instruments that can aid or help us in this process An instrument can be defined as a tool vehicle or means used for precision and accuracy at work something or someone used as a means of achieving or accomplishing a desired purpose These instruments we speak about are spiritual mechanisms that simplify the work of prayer ultimately increasing efficiency in prayer and mobilizing the forces of heaven on our behalf In this book we will study the instruments that can be used to facilitate the process of prayer what they are and how we can maximize them in our quest for an effective prayer life

ACCESSING THE HIDDEN POWERS OF HEAVEN ISIAIAH MACWEALTH, The concept of holiness is one that I have longed to write about for a while now because the Spirit of God has put this burden in my heart The level of

misunderstanding about holiness is gross and universal thus I believe the Lord wants to use this book to teach and move the church into greater realms of fellowship with Him and greater levels of power What many teachers teach and what many believe about holiness is not holiness The word is often interchanged with words like righteousness consecration and sanctification but they are not all the same Holiness is not just a character or attribute neither is it a virtue or a set of rules It is so much more It is the nature and power of God Understanding holiness is therefore paramount because it is the key to accessing the unlimited power of God and the glory realm I believe that one of the reasons many believers are not functioning in the power of God in these last days is because they either do not understand or misunderstand holiness and how to access power by partaking in the holiness of God If you would function with God and experience face to face encounters with Him this book is for you I will be giving you a totally new revelation on Holiness just as the Lord taught me so I want you to read and meditate deeply on this book These are the days of His mighty power signs and wonders and those who have this revelation can partake of His holiness **Yoga Journal** ,2000-11 For more than 30 years Yoga Journal has been helping readers achieve the balance and well being they seek in their everyday lives With every issue Yoga Journal strives to inform and empower readers to make lifestyle choices that are healthy for their bodies and minds We are dedicated to providing in depth thoughtful editorial on topics such as yoga food nutrition fitness wellness travel and fashion and beauty

OBTAINING A CHANGE OF GARMENT FROM THE COURT OF HEAVEN ISAIAH MACWEALTH, There are some who suffer the pain of repeated failure rejection or disappointment without any reasonable cause Some others observe a repeated pattern of limitation in their lives or family and wonder why everyone in their lineage seem to stumble at the same stone Many others have become stuck in one level in their lives and cannot seem to make any sense of happenings because of limiting garments they bear Certain spiritual garments may limit your progress becoming the reason you cannot attain the levels you dream of in your heart no matter how hard you try Until these limiting garments are done away with you may continue to live in a circle and die without fulfilling God s purpose for your life But what are these garments how do they come how do they operate and how can they be changed In this book I will be showing you from scriptures what spiritual garments are how limiting garments are acquired how they can be changed how to keep your garments spotless and continue to obtain new garments from the courts of heaven Rhythm ,1968 **Spiritual Genius** Winifred Gallagher,2001 InSpiritual Genius journalist Winifred Gallagher the acclaimed author ofWorking on God asks Rabbi Lawrence Kushner to define holiness Standing in the presence of God he says Everyone has it but some people seem to have more of a knack for accessing it Like holiness the gift that Gallagher calls spiritual genius which she defines as the uniquely human ability to search for and find life s meaning then express it in our lives as only each of us can is one we all possess but don t necessarily recognize Whether they are called saints gurus tzaddiks or shamans there have always been people who possess exceptional insight altruism and charisma In this disarmingly inspirational book Gallagher investigates what ordinary people trying to

live decent meaningful lives can learn from such extraordinary men and women who are specially attuned to the deepest truths and who exemplify and radiate spiritual genius In a clear eyed ecumenical approach that s free of dogma and bias and suffused with profound respect Winifred Gallagher highlights the common wisdom and down to earth good humor of these religious leaders revels in their differences and identifies the capacity for spiritual genius that all of us share with them On an island in the Arabian Sea Gallagher visits Mata Amritanandamayi regarded by devotees as a Hindu goddess who transmits divine love through hugs and charities She travels through America s inner cities with Tony Campolo an Evangelical preacher who counsels national leaders and serves the poor She learns how Riffat Hassan a Pakistani theologian uses the Qur an to defend the rights of her Muslim sisters She journeys to a Tibetan Buddhist monastery in the Himalayas to understand how an exiled minority has enchanted the world with their deep resilient spirituality In these diverse lives Gallagher argues we can glimpse our own potential for spiritual genius writ large Each story testifies to the profound good in the world even during a troubled time and to Gallagher s groundbreaking theory of a human capacity for finding life s meaning that is nothing less than genius
