The Last Days Of New York:

The Last Days of the Afghan Republic Arsalan Noori, Noah Coburn, 2023-05-22 It is difficult to overstate the chaos of August 2021 for many of those in Afghanistan particularly those who had worked closely with the international community there In a matter of days U S troops withdrew from Afghanistan and an insurgency threw out a government the international community had spent 20 years and billions of dollars supporting A government that claimed to stand for women s rights freedom of the press education and a litany of other ideals was replaced by one that did not allow girls to attend secondary school The world watched for two weeks as crowds rushed the airport bodies fell from planes a suicide bomber killed civilians and soldiers and a baby was handed to a Marine over a barbed wire wall The agony of lives so clearly destroyed as people tried to flee their homeland with little to nothing felt like images seen in the wake of natural disasters But this was not a natural disaster It was completely avoidable Part memoir and part history *The Last Days of the Afghan Republic* tells this story through the experiences of Arsalan Fatima Zeinab and Najeeb a scholar a doctor a student and a translator These young men and women had bought into the promise of the international intervention that if they studied worked hard and believed in democracy and human rights Afghanistan could become a new country Their lives also tell the story of Afghanistan over the past thirty years They recount from the ground up the political decisions on the American side that led to the forever war the way that Afghan political partners squandered opportunities and the ways in which the U S presence unevenly reshaped Afghan society

Documents of the Assembly of the State of New York New York (State). Legislature. Assembly,1872 **Fatal Politics** Ken Hughes,2015-04-21 In his widely acclaimed *Chasing Shadows* the best account yet of Nixon s devious interference with Lyndon Johnson s 1968 Vietnam War negotiations Washington Post Ken Hughes revealed the roots of the covert activity that culminated in Watergate In *Fatal Politics* Hughes turns to the final years of the war and Nixon s reelection bid of 1972 to expose the president s darkest secret While Nixon publicly promised to keep American troops in Vietnam only until the South Vietnamese could take their place he privately agreed with his top military diplomatic and intelligence advisers that Saigon could never survive without American boots on the ground Afraid that a preelection fall of Saigon would scuttle his chances for a second term Nixon put his reelection above the lives of American soldiers Postponing the inevitable he kept America in the war into the fourth year of his presidency At the same time Nixon negotiated a decent interval deal with the Communists to put a face saving year or two between his final withdrawal and Saigon s collapse If they waited that long Nixon secretly assured North Vietnam s chief sponsors in Moscow and Beijing the North could conquer the South without any fear that the United States would intervene to save it The humiliating defeat that haunts Americans to this day was built into Nixon s exit strategy Worse the myth that Nixon was winning the war before Congress tied his hands has led policy makers to adapt tactics from America s final years in Vietnam to the twenty first century conflicts in Iraq and Afghanistan prolonging both wars without winning either Forty years after the fall of Saigon and drawing on more than a decade spent studying Nixon s secretly recorded Oval Office tapes the most comprehensive accurate and illuminating record of any presidency in history much of it never transcribed until now *Fatal Politics* tells a story of political manipulation and betrayal that will change how Americans remember Vietnam *Fatal Politics* is also available as a special e book that allows the reader to move seamlessly from the book to transcripts and audio
