The Last Soldier:

The End of the Russian Imperial Army, Volume II Allan K. Wildman, 2019-10-08 Allan Wildman presents the first detailed study of the Army's collapse under the strains of war and of the front soldiers' efforts to participate in the Revolution. Originally published in 1987, The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

The Last Qumranian Joe Basile, 2019-10-01 Time travel has been used to stop the birth of Christ, altering the timeline of human history. Lukas is the last Qumranian, an ancient sect sworn to secrecy and to protect the prophecies that bind the worlds together. When they develop a powerful technology that can control time, their discovery attracts unwanted attention. When the Unclean, a militant force powered by dark magic, attacks the hidden Qumranian compound under what once was the Dead Sea, Lukas barely escapes. But at what cost? With his life intact, he finds himself a prisoner in an alternate timeline, not his own. Alone in a foreign landscape ravaged by wars advanced by technology, oppressed by a corporation partnered with a ruthless religious group slaughtering any who oppose them in the streets, sinister supernatural forces and an artifact that literally can and has changed human history, Lukas must not only struggle to stay alive but locate the only thing that can prevent the Unclean and the powers that control them from destroying the world. Will Lukas manage to retrieve the artifact before more damage is done to the timeline of history, or will he be too late, forever lost in a nightmarish alternate reality?
