*L O L* James Marsh Sternberg MD, Danny Kleinman, 2021-08-29 Just what is LOL Yes a common abbreviation for Laughing Out Loud and often used to refer to a Little Old Lady but in bridge it means a Loser On Loser play At times a declarer can improve his/her situation by playing a losing card from one hand on a loser in a different suit from the hand opposite This occurs when a player has a loser in two suits but can arrange to lose them both on one trick thereby reducing the number of losers from two to one Often this looks like a Ruff and Sluff play but instead of ruffing declarer or dummy discards a loser in each hand When and why would one do this This technique has many uses One example is to keep the Danger hand off lead Often in the end game it serves as the exit in assisting the process of elimination and placing the lead in the hand of the desired opponent for an endplay The advantage of this procedure is that declarer divests himself of two losers while simultaneously placing the lead in the desired quarter
