The Killing Streets:

Homicide David Simon, 2008-10-30 A masterpiece MARTIN AMIS The best book about homicide detectives by an American writer NORMAN MAILER Based on a year on the killing streets of Baltimore David Simon's true crime masterpiece reveals a city few will ever experience Day in day out citizens are shot stabbed or bludgeoned to death At the centre of this hurricane of crime is the city's homicide unit a small brotherhood of men who fight for whatever justice is possible in a deadly world

The Killing Streets Tanya Bretherton, 2020-02-25 WINNER OF THE 2020 DANGER PRIZE From the acclaimed author of THE SUITCASE BABY and THE SUICIDE BRIDE the fascinating story of a series of horrific murders that began in 1930s Sydney and a killer who remained at large for over two decades In December 1932 as the Depression tightened its grip the body of a woman was found in Queens Park Sydney It was a popular park There were houses in plain view Yet this woman had been violently murdered without anyone noticing Other equally brutal and shocking murders of women in public places were to follow Australia's first serial killer was at large Police failed to notice the similarities between the victims until the death of one young woman an aspiring Olympic swimmer made the whole city take notice On scant evidence the unassuming Eric Craig was arrested But the killings didn't stop A compelling story of a city crippled by fear and what happens when victims are blamed and suspects are presumed guilty The Killing Streets investigates how a murderer could remain free to kill again Includes a BONUS extract from Tanya Bretherton's compelling new book THE HUSBAND POISONER

The Killing Game Mark Bourrie, 2016-03-08 On January 21 2015 a pro ISIS Twitter account reported that John Maguire a 23 year old university drop out from the Ottawa Valley town of Kemptville had been killed fighting Kurds in the Syrian city of Kobani A few weeks before Maguire had starred in a YouTube video threatening Canada for bombing ISIS forces in Iraq He is one of the dozens of young Canadians who have chosen to fight in a vicious conflict that really had little to do with them and with Canada Why would young people choose to fight in other people's wars especially one as bloody and cruel as this one Why has ISIS become so good at attracting foreign fighters This book examines the lure of this radical Islamist movement its religious beliefs sophisticated propaganda and vast social media networks ISIS is now a go to cause for alienated young people in the Islamic World and the West Does it offer answers to troubled young people Are ISIS's crimes slavery murder rape repression and the destruction of heritage sites an attraction in and of themselves What do we do about the people who take up ISIS's cause but stay in their home country What do we do with the ISIS recruits who come home The Killing Game examines what draws young men and women to join violent social political movements It looks at the psychology of young men and women today and the propaganda used by all sides in the Middle East conflicts as well as the security laws and the political initiatives that have been designed to stop Canadians from being radicalized From the irresistible lure of Marxist Leninism of the 1930s through the 60s and 70s and including the appeal of Nazism to young

Germans in the 1930s this book also investigates what it is that draws young people to join and fight for causes as different as the Spanish Civil War of the 1930s and the Red Brigades of the 1970s but with an emphasis on the attraction of ISIS and radical Islam in our own time

The Track Shown; the Criminal Indicated* Waldemar Fitzroy Peacock,1873 London David Matthews,2019-06-06 A war is being waged on the streets of London London is a city divided along invisible borders hidden lines that separate borough from borough postcode from postcode even estate from estate And crossing these boundaries can be fatal for the young people who stray outside of their area Gangland London is a deep dive into the world of these young people a realm of knives guns and drugs where trying to live outside a gang can be as deadly as joining one It tells the story of those around them the surgeons trying to save their lives the police officers trying to get them off the streets the drill musicians whose videos turn violence into entertainment And it reveals how endemic racism and poverty have created a culture whose disturbing effects are now spreading outside the capital through county lines set up to distribute drugs in Britain s countryside Journalist and documentary maker David Matthews grew up on Hackney s Murder Mile and has unprecedented first hand access to a world that few understand Here he turns his gaze back to the streets that raised him to reveal how London became a warzone Raw authentic and uncompromising Gangland London will show you London as you have never seen it before

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
