**on the Holy Scriptures: Ezekiel** Johann Peter Lange,1876 Reframing Biblical Theology Daniel C.

Fredericks,2025-08-26 Biblical theology is adequate only if wholly contextualized within the eternal natures of God creation and history A more thorough awareness of God s eternal design within creation and its history and a fuller perspective on the Messiah s commission avoids significant discontinuities such as universal and redemptive histories the gospels of Jesus and his apostles cross and kingdom of God centers heaven and a new earth and the role of sanctification in the Old and New Testaments This study suggests that God s eternal design for creation and its history subsumes a limited biblical theology that focuses on the solution to the sin problem at the expense of what has always been the eternal practical and productive objective of that solution and its current implications The church can focus on an urgent need for the rescue at the expense of the equally urgent and eternal purpose for that rescue A more comprehensive practical and productive theology of endless creation and its history contextualizes salvation and its eschatological focus by enveloping them as temporary components within God s eternal design **The doctrine of creation, translated by J. W. edwards [and others] 4 v** Karl Barth,1960

The Last Things Donald G. Bloesch,2010-03-23 In The Last Things Donald G Bloesch takes up difficult and sometimes controversial themes such as the coming of the kingdom of God the return of Jesus Christ the life hereafter the millennial hope the final judgment hell heaven purgatory and paradise Wrestling with biblical texts that often take metaphorical form Bloesch avoids rationalistic reductionism as well as timid agnosticism While he acknowledges mystery and even paradox Bloesch finds biblical revelation much more than sufficient to illuminate the central truths of a Christian hope articulated throughout the history of the church The Last Things is not just a review of past Christian eschatology but a fresh articulation of the grace and glory of God yet to be consummated The triumph of the grace of Jesus Christ and the dawning of hope beckon us to reach out in the power of the Spirit to receive that blessed future and the promise to renew the life of the church universal today Religious Denominations of the World Vincent L. Milner,1873 If Christ Were King Albert Edward Waffle,1912 **The Complete Works of Thomas Manton, D.D.** Thomas Manton,William G. Harris,1872 *The Monthly welcome and parish visitor* ,1883 **Heaven on Earth** Alan Vincent,2011-07-28 This book is a treatise on the Kingdom of God and the need for the Church to forcefully advance it across the earth No longer can the businessman sit back

in the pew and expect the pastor to do all the work No longer can the lonely widow or single mom wallow in insecurity and condemnation Heaven comes to earth when individual believers begin to understand their sphere of authority The self righteous will no longer be able to sit in judgment of the world for they will come face to face with what God has forgiven them of and what He is calling them to We have both the ability and the responsibility to transform society Don t like the world in which you live Then come to faith obey the Word and allow the Holy Spirit to release the power of the Kingdom through you     **The Latter-Day Saints' Millennial Star** ,1889     *Keys of the Kingdom* Jim B. Richards,Chaim Bentorah,2019-10-21 Keys of the Kingdom reveals Jesus process for making the inheritance manifest in our lives The second edition in a trilogy about the Kingdom this book deals more specifically with how to have heaven on earth This book will unravel the mystery of the Keys of the Kingdom and how to use them Jesus will be put back in the center of our faith because everything taught is based on His teaching His example and His resurrection We will finally know how and why Jesus could do what He did and what that means about our ability to follow in His path Keys of the Kingdom takes the believer straight to a faith based application which leads to an experiential reality of God s Truth and Love The faith based application of His truth will harmonize us with His goodness making it a reality in our life experience Keys of the Kingdom will be either the most significant freeing experience in your walk as a believer some of the most challenging truths you ve ever considered or a mixture of both Understanding the truths of the Keys of the Kingdom and putting them into practice will make a monumental difference in your capacity to establish heaven on earth
