*The Land and People of Lebanon* Viola Hitti Winder, Viola H. Winder, 1973 Introduces the ancient land of Phoenicia now known as Lebanon an independent republic bordering the eastern shore of the Mediterranean **The Land and the Book** William McClure Thomson, 1886 *The Conscience of Lebanon* Mordechai Nisan, 2004-08-02 This work is a combination of an account of a most captivating Lebanese personality with a penetrating analysis of the historical and religious contours of Lebanon Mordechai Nisan spent much time with Etienne Sakr between 2000 and 2001 Set within the context of the national political narrative of Lebanon this volume offers a portrait of Sakr and the times in which he lived before his exile to Israel in May 2000 Personal testimonies from Lebanese residents and conversations with others outside of Lebanon who knew Abu Arz in addition to interviews with Israelis acquainted with him provide the authenticity to the portrait of this remarkable man

*Lebanese Women at the Crossroads* Nelia Hyndman-Rizk, 2020-01-22 Thirty years after the end of the civil war Lebanese women are still struggling for gender equality This study builds on recent scholarship on women s activism in the Arab world in the context of the Arab Spring It examines how discourses of secularism and equal civil rights have informed the contemporary Lebanese women s movement in their campaigns for a domestic violence law women s nationality rights a women s quota in parliament the reform of personal status law and the recognition of civil marriage This book argues that women are caught between sect and nation due to Lebanon s plural legal system which makes a division between religious and civil law While both jurisdictions allocate women relational rights guided by the logic of patrilineal descent women s inequality is central to the reproduction of sectarian difference and patriarchal control within the confessional political system as a whole **Nebraska, the Land and the People** Addison Erwin Sheldon, 1931 **The Historical Magazine**

**and Notes and Queries Concerning the Antiquities, History and Biography of America** John Ward Dean, George Folsom, John Gilmary Shea, Henry Reed Stiles, Henry Barton Dawson, 1870 **The Making of Lebanese Foreign Policy** Henrietta Wilkins, 2013-05-29 Seeking to explain Lebanon s behavior in the international arena during the 2006 war between Hezbollah and Israel this book offers a critique of both systemic and sub state factors in determining foreign policy decisions The Making of Lebanese Foreign Policy illustrates how systemic theories are limited in terms of explaining foreign policy decisions because they largely ignore the role of internal or sub state factors Within Lebanon foreign policy is split between the interests of different internal Lebanese groups working in alliance with external actors The competing interests of these internal groups compromise the cohesion of the Lebanese state and its capacity to promote its own interests above those of the different internal groups The example of Lebanon during the 2006 war thus demonstrates the importance of these sub state factors in influencing state behaviour on an international level Arguing that a more pluralistic approach is necessary in order to understand the conditions that affect the foreign policy making of the Lebanese state this book fills an important gap in the literature on the topic and will be of interest to students of International Relations Middle East Studies and Islamic
