## **The Land Of The Long Night:**

The Land of the Long Night Paul Belloni Du Chaillu, 1905      *The Longest Night* Arthur Jacobson, Michel Rosenfeld, 2002-10-28 The American Presidential Election of 2000 was perhaps the most remarkable and in many ways the most unsettling that the country has experienced The Longest Night presents a lively and informed reaction to the legal aftermath of the election by the most prominent experts on the subject With a balance of opposing views including those of some of today's most distinguished foreign political and legal commentators the contributors offer an unusual breadth of perspectives in addressing the judicial institutional and political questions involved in the disputed election Book jacket

The Long Night of Dark Intent Irving Horowitz, 2017-07-05 The Cuban Revolution of 1959 was a benchmark of triumph and a harbinger of tragedy to come Rather than herald a new era of Cuba joining the world community of nations as a paragon of democracy as many fervently hoped and believed it would it became instead a new stage in authoritarian rule in the Western hemisphere For more than a half century since then Cuba has been defined by the capacity of a single family to command and determine the fate of a nation and to do so with a minimum of opposition Incredibly even those professing adherence to democratic norms have been ready to forgive the dictator his excesses This volume explains the theory and practice of this absence of internal opposition and the persistence of external support for the Castro family and its entourage The Long Night of Dark Intent is chronological in order with the author indicating major points in each of the five decades covered The volume covers five centers of system analysis economics politics society military and ideology Who or what determines events and decisions is the stuff of real history It is precisely due to variability in causal chains in society that we have huge variance in levels of predictability The course of the Cuban Revolution gives strong support for such an approach to the Castro Era This is a unique unflinching account with a strong emphasis on the importance of U S policy decisions over time

**Blessings for the Long Night** Jessica Kantrowitz, 2022-04-19 When you're in the midst of terrible depression the days and weeks can feel like an eternity From the author of *The Long Night* comes a beautiful collection of poems and meditations for those experiencing the long night of depression In *Blessings for the Long Night* Jessica Kantrowitz's moving poetry acknowledges the pain and relentlessness of depression and offers gentle presence and hope This book does not promise healing or deliverance it is not a guide to praying away the depression Rather through these poems Jessica Kantrowitz who has been where you are hopes to sit next to you in the dark while you wait for the light to emerge The message repeated and built on throughout the book is simply You are not alone you are loved and this will not last forever
