The Language Of Tennysons In Memoriam

Edward Campbell Tainsh

The Language Of Tennysons In Memoriam:

The Language of Tennyson's In Memoriam Alan Sinfield,1971 **Alfred Tennyson** Laurence W. Mazzeno,2004 The poet's reputation has weathered even the most vitriolic attempts to discredit both the man and his writings and as criticism of the late twentieth century demonstrates Tennyson's claim to pre-eminence among the Victorians is now unchallenged

Tennyson's Philological Medievalism Sarah Weaver,2024-12-17 Considers Tennyson's poems from the elegiac *In Memoriam* to the Arthurian Idylls of the King in the context of Victorian interest in philology How do words come to mean what they mean and how can we hope to use them precisely when they are constantly changing The urge to find a word's meaning through its etymology is an old and enduring one gaining new momentum in the nineteenth century as advocates of the so-called new philology argued that major revelations were to be found within the biographies of everyday expressions Developing hand in hand with a growing national interest in all things Anglo-Saxon language study simultaneously seemed to offer a pathway to the roots of English culture and to illuminate human history on a grand scale Alfred Tennyson 1809-1892 came of age in the midst of this exploding popularity of both Anglo-Saxonism and philology and he did so among men who were to be responsible for advancing both fields This study places this pre-eminent Victorian poet in the context of the period's preoccupation with the history of language It shows that the intellectual milieu that surrounded him encouraged him to revive archaic words and to reveal the literal metaphors lurking within his words Moreover his familiarity with past forms of English enabled him to arrange the connotations of his vocabulary for precise effect Surveying his techniques at every scale from individual vowels to narratives this book argues that Tennyson held a more optimistic view of language than scholars have generally supposed and shows the sophistication of his philological techniques **Tennyson and Tradition** Robert Pattison,1979 Here is an analysis of Tennyson's major poetry that clarifies the poet's relationship to the artistic traditions he so extensively exploited and so radically modified It is a portrait of Tennyson as manipulator not mere borrower of forms Tennyson and Tradition traces the threads that at the same time unite Tennyson's work and tie it to the traditions the poet believed he had inherited Pattison shows why Tennyson considered the venerable idyll form a fitting vehicle for his modern portraits above all the Idylls of the King Analysis of *In Memoriam* brings further understanding of Tennyson's poetic credo

A Commentary on Tennyson's In Memoriam Andrew Cecil Bradley,1920 **Tennyson's Name** Anna Barton,2016-12-05 Seeking to understand Tennyson's poetry as the work of a man concerned with making and then living up to one of the most famous names in Victorian literature Anna Barton offers close readings of Tennyson's major works From his obscure beginning as A.T. one of two anonymous brothers to the height of his success when he held the impressive title Alfred Lord Tennyson DCL Poet Laureate the development of Tennyson's career took place in a period increasingly aware that a name could command considerable cultural capital In the marketplace goods were sold on the strength of their brand name in the press the battle for signed articles was fought and won and in Victorian drawing rooms young ladies collected the autographs

of family and friends and pasted them into scrap books From his early lyrics to his Arthurian Idylls Barton argues the laureate's keen sense of professional identity forced him to grapple with modern concerns about the ethics of print in order to establish his own responsible poetic *Tennyson* Rebecca Stott, 2014-07-21 Alternative approaches have emerged which have radically altered our understanding of Tennyson's poetry and his relationship to the Victorian age This text covers the most significant areas of new work on Tennyson effectively linking feminist and gender studies with deconstructive psychoanalytic and linguistic attention The Introduction discusses ways in which orthodox critical approaches have dominated readings of Tennyson's poetry and provides a critical overview of the radical reappraisal of his work It also provides a guide to the varied ways in which these new debates have shaped and are shaping themselves with a final discussion of the future directions which Tennyson criticism is likely to take The essays chosen cover and reflect a range of modes of critical enquiry compelling in themselves **Domestic and Heroic in Tennyson's Poetry** Donald S. Hair, 1981 Tennyson shared the assumptions of his age concerning the value of family life and treated the domestic as the source of the heroic in both action and character This book provides a critical examination of these major Victorian themes as they appear in Tennyson's poetry and demonstrates how the poet's assumptions illuminate his use of elegy idyl and epyllion and his treatment of romance Professor Hair analyses In Memoriam the English Idylls The Princess and Idylls of the King he examines Tennyson's view of the family as the model of social order a civilizing influence on the nation and a place where the greater man or hero is nurtured and he reveals how much of Tennyson's poetry explores the link between domestic and heroic He also discusses the patterns into which these pervasive domestic concerns fall with emphasis on the most significant separation and reunions The myth of Demeter and Persephone the Biblical story of Ruth and the Sleeping Beauty fairy tale are all versions of Tennyson's treatment of this pattern The English Idylls and other idylls and epyllia are explored as varying combinations of romance satire tragedy comedy and irony with a detailed analysis of The Princess the most complex of these medleys Idylls of the King wherein the fate of Camelot rests on the marriage of Arthur and Guinevere is treated as the fullest exploration of the link between domestic and heroic *The Poetic and Dramatic Works of Alfred, Lord Tennyson* Alfred Tennyson Baron Tennyson, 1898 **A Study of the Works of Alfred Lord Tennyson, Poet Laureate** Edward Campbell Tainsh, 1893 **Tennyson, His Art and Relation to Modern Life** Stopford Augustus Brooke, 1894 Elegy for an Age John D. Rosenberg, 2005-02-15 This rich and elegant work describes how the unsettled cultural climate provided fertile soil for the flourishing of elegy John Rosenberg shows how the phenomenon of elegy pervaded the writing of the period tracing it through the voices of individuals from Carlyle Tennyson Darwin and Ruskin to Swinburne Pater Dickens and Hopkins Finally he turns from particular elegists to a common experience that touched them all the displacement of the older idea of the earthly city as a New Jerusalem by the rise of a new image of the Victorian city as an industrial Inferno a wasteland of sprawling towns and of rivers so polluted they caught on fire *Tennyson: Poet, Philosopher, Idealist* John Cuming

Walters,1893 The cyclopedia of practical quotations, English and Latin and modern foreign languages [compiled by] J.K. Hoyt and A.L. Ward Cyclopedia,1896 *In Memoriam* Alfred Tennyson Baron Tennyson,1895 **Cumulative Book Index**,1972 **A Study of the Works of Alfred Tennyson** Edward Campbell Tainsh,1870 **Divining Desire** James W. Hood,2017-03-02 This study examines Tennyson s portrayals of the erotic and creative impulses reading the poet s ubiquitous lover artists as tropes that figure the desire for transcending the state of being human a condition of personal fragmentation and limited knowledge Ostensibly seeking to fulfill erotic wishes construct utopias or create grand artistic works Tennyson s characters engage in a fundamentally spiritual quest yearning to divine desire to eternalize the fulfilment of their deepest wishes Freud revealed how Victorians sublimated sexual desire into religious impulse This book demonstrates however the remarkable way in which Tennyson s poems transact the opposing projection transfiguring spiritual desire into erotic art Brilliantly negotiating a middle ground between scientific skepticism and reactionary religiosity his vastly popular poems suggest that fulfilment of the wish too strong for words to name lies in a sacramentality only as means do art and eros allow transport beyond fragmentation At a deep level the poems conclude that language itself brokers transcendence through its very brokenness **A Key to Lord Tennyson's "In Memoriam"** Alfred Gatty,2023-07-18 Lord Tennyson s In Memoriam is one of the greatest poems in the English language but it can be difficult for modern readers to fully appreciate its beauty and complexity In this book Alfred Gatty provides a comprehensive guide to the poem explaining its themes structure and language A Key to Lord Tennyson s In Memoriam is a must read for anyone who wants to deepen their understanding of this timeless work This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Tennyson** David John Palmer,1973

When people should go to the books stores, search introduction by shop, shelf by shelf, it is in point of fact problematic. This is why we provide the ebook compilations in this website. It will unquestionably ease you to see guide **The Language Of Tennysons In Memoriam** as you such as.

By searching the title, publisher, or authors of guide you essentially want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be all best place within net connections. If you objective to download and install the The Language Of Tennysons In Memoriam, it is utterly easy then, before currently we extend the connect to buy and create bargains to download and install The Language Of Tennysons In Memoriam as a result simple!
