The Last Christian:

The Christian's Guide to Living in the Last Days Vol.2 Billy Crone,2019-01-03 It s not enough to just know we re living in the Last Days the point is to do something about it We are to take this prophetic information and redeem the time by living for Jesus and telling as many people as we can about Him so they can be saved before it s too late Time is simply running out The problem is most Christians are distracted disinterested or flat out apathetic making no difference for Jesus in these Last Days On top of that their countenance is a bad walking advertisement for Jesus Therefore this book *The Christian s Guide to Living in the Last Days Vol 2* seeks to equip you the reader with pivotal keys that are absolutely crucial if we re ever going to have that life changing walk with Jesus in these final hours Here you will learn such insights as The Dangers of a Misplaced Mind The Dangers of a Misplaced Lifestyle Focus Attitude Behavior Understanding and Posture Turn your walk and witness around for Jesus before it s too late

The End of Christianity T.G. Willis,2024-07-23 There is a profound comfort in the assurance of security We dedicate our lives to safeguarding our families our well being and our nations In this pursuit the words of Jesus as recorded in John 10 28 29 offer absolute reassurance I give them eternal life and they will never perish No one can snatch them away from me For my Father has given them to me and he is more powerful than anyone else No one can snatch them from the Father s hand These words like a warm embrace offer a sense of eternal security This book traces the origins of morals designed to ensure constant personal and national security It reveals God s reaction to the rejection of his plan for Israel and the subsequent shift of Christianity to the nations of the world It demonstrates how Christianity will end and how the Jewish identity will respond The final section of Part 1 shows the insecurity of the world under a self serving government and the miraculous return of Jesus Christ to set up a new world and lifestyle Part 2 reveals God s clear plan to be a part of his new world clearly showing how it was made possible by the shedding of Jesus innocent blood on mankind s behalf It also shows the best way to live our lives to ensure we remain secure

The Last Things Donald G. Bloesch,2004 In *The Last Things* Donald G Bloesch takes up difficult and sometimes controversial themes such as the coming of the kingdom of God the return of Jesus Christ the life hereafter the millennial hope the final judgment hell heaven purgatory and paradise Wrestling with biblical texts that often take metaphorical form Bloesch avoids rationalistic reductionism as well as timid agnosticism While he acknowledges mystery and even paradox Bloesch finds biblical revelation much more than sufficient to illuminate the central truths of a Christian hope articulated throughout the history of the church *The Last Things* is not just a review of past Christian eschatology but a fresh articulation of the grace and glory of God yet to be consummated The triumph of the grace of Jesus Christ and the dawning of hope beckon us to reach out in the power of the Spirit to receive that blessed future and the promise to renew the life of the church universal today
