The Last Colony in Africa Michael Charlton,1990-01-01    Cold War in Southern Africa Sue Onslow,2009-09-10 This edited volume examines the complexities of the Cold War in Southern Africa and uses a range of archives to develop a more detailed understanding of the impact of the Cold War environment upon the processes of political change In the aftermath of European decolonization the struggle between white minority governments and black liberation movements encouraged both sides to appeal for external support from the two superpower blocs Cold War in Southern Africa highlights the importance of the global ideological environment on the perceptions and consequent behaviour of the white minority regimes the Black Nationalist movements and the newly independent African nationalist governments Together they underline the variety of archival sources on the history of Southern Africa in the Cold War and its growing importance in Cold War Studies This volume brings together a series of essays by leading scholars based on a wide range of sources in the United States Russia Cuba Britain Zambia and South Africa By focussing on a range of independent actors these essays highlight the complexity of the conflict in Southern Africa a battle of power blocs of systems and ideas which intersected with notions and practices of race and class This book will appeal to students of cold war studies US foreign policy African politics and International History Sue Onslow has taught at the London School of Economics since 1994 She is currently a Cold War Studies Fellow in the Cold War Studies Centre IDEAS

The Power of Legality Nikolas M. Rajkovic,Tanja E. Aalberts,Thomas Gammeltoft-Hansen,2016-07-28 From an airstrip in Saudi Arabia the CIA launches drones to legally kill Al Qaida leaders in Yemen On the North Pole Russia plants a flag on the seabed to extend legal claim over resources In Brussels the European Commission unveils its Emissions Trading System extending environmental jurisdiction globally over foreign airlines And at Frankfurt Airport a father returning from holiday is detained because his name appears on a security list Today legality commands substantial currency in world affairs yet growing reference to international legality has not marked the end of strategic struggles in global affairs Rather it has shifted the field and manner of play for a plurality of actors who now use influence and contest the way that law's rule is applied to address global problems Drawing on a range of case studies this volume explores the various meanings and implications of legality across scholarly institutional and policy settings

**Robert Mugabe** Sue Onslow,Martin Plaut,2018-03-05 Zimbabwe's President Robert Mugabe sharply divides opinion and

embodies the contradictions of his country's history and political culture. As a symbol of African liberation and a stalwart opponent of white rule, he was respected and revered by many. This heroic status contrasted sharply in the eyes of his rivals and victims with repeated cycles of gross human rights violations. Mugabe presided over the destruction of a vibrant society, capital flight and mass emigration precipitated by the policies of his government, resulting in his demonic image in Western media. This timely biography addresses the coup led by some of Mugabe's closest associates that forced his resignation after thirty seven years in power. Sue Onslow and Martin Plaut explain Mugabe's formative experiences as a child and young man, his role as an admired Afro nationalist leader in the struggle against white settler rule, and his evolution into a political manipulator and survivalist. They also address the emergence of political opposition to his leadership and the uneasy period of coalition government. Ultimately they reveal the complexity of the man who stamped his personality on Zimbabwe's first four decades of independence.

**The Cold War** Spencer C. Tucker, 2020-10-27 This sweeping reference work covers every aspect of the Cold War from its ignition in the ashes of World War II through the Berlin Wall and the Cuban Missile Crisis to the collapse of the Soviet Union in 1991. The Cold War superpower face off between the Soviet Union and the United States dominated international affairs in the second half of the 20th century and still reverberates around the world today. This comprehensive and insightful multivolume set provides authoritative entries on all aspects of this world changing event including wars, new military technologies, diplomatic initiatives, espionage activities, important individuals and organizations, economic developments, societal and cultural events and more. This expansive coverage provides readers with the necessary context to understand the many facets of this complex conflict. The work begins with a preface and introduction and then offers illuminating introductory essays on the origins and course of the Cold War which are followed by some 1 500 entries on key individuals, wars, battles, weapons systems, diplomacy, politics, economics and art and culture. Each entry has cross references and a list of books for further reading. The text includes more than 100 key primary source documents, a detailed chronology, a glossary and a selective bibliography. Numerous illustrations and maps are inset throughout to provide additional context to the material.

*Regional Guide to International Conflict and Management from 1945 to 2003* Jacob Bercovitch, Judith Fretter, 2004-11-23 Regional Guide to International Conflict Management from 1945 to 2003 provides global, regional and specific information on the over 350 international conflicts that have occurred since World War II. At the heart of the book are comprehensive regional sections, each of which includes An essay providing regional context and highlighting the interrelation of countries and conflict in that area. Summaries of each conflict in the region arranged chronologically and covering history, circumstances, players, management and outcome. References for further research. Introductory chapters examine global patterns and trends in international conflict and how conflict is managed, including ethnic conflict and the expanded role of the United Nations. Tables, figures, maps and a comprehensive index round out this valuable resource. Regional Guide to International Conflict and Management from 1945 to 2003 gives readers the tools and

content necessary for understanding and analyzing international conflict in today's world. Perfect for political science, comparative government politics, international relations and world history programs.

**The Assassination of Herbert Chitepo** Luise White, 2003 Luise White examines the controversial assassination of Herbert Chitepo in 1975 from the perspective of the several confessions many accusations of responsibility that have been made. She assesses why this murder continues to incite conflict in Zimbabwean politics.

**Ethnic Conflict: Settlement of ethnic conflict** Rajat Ganguly, 2009 Ethnic conflicts in various scales and forms are a feature of the post Cold War international landscape from which no region of the world is completely free. In terms of impact it has been equally devastating for both developed and developing states. Therefore there has never been a more appropriate time to study ethnic conflict in all its dimensions. This four volume collection examines the many facets of ethnic conflict including their causes, consequences and resolution. Volume I Ethnic Identity includes articles dealing with the various interpretations and meanings of ethnicity and the debate surrounding the formation, persistence and salience of ethnic identity. Volume II Causes of Ethnic Conflict focuses on causal explanations of ethnic conflict. Volume III The Consequences of Ethnic Conflict then focuses on the consequences or impacts of ethnic conflict. Finally Volume IV The Settlement of Ethnic Conflict discusses articles that cover the settlement of ethnic conflict.

**Africa Today**, 1992    **Vanderbilt Journal of Transnational Law**, 2000    **Zimbabwe** Deborah Helen Potts, Deborah Potts, 1993    **International Conflict** Jacob Bercovitch, Richard Jackson, 1997 This unique study of 50 years of conflict and resolution allows readers to understand every important conflict from 1945 to 1995 and to trace recurring or related conflicts throughout this period. Concise insightful summaries reveal the context, management and aftermath of nearly 300 international conflicts. Introductory chapters synthesize common elements and issues across the decades and around the globe. Arranged chronologically, summaries of nearly 300 conflicts describe the history, circumstances, players, management and outcome of each incident. Introductory chapters set out basic elements and issues in international conflict and conflict management and analyze the underlying issues, the countries involved and the management techniques employed. Illustrated with diagrams and detailed maps of many of the most conflict-ridden areas of the world, the book contains an extensive list of references organized by region that directs the reader to additional information. A thorough index and extensive cross-references allow the reader to identify and follow related conflicts.

**World Racism and Related Inhumanities** Meyer Weinberg, 1992-05-27 This is the first comprehensive worldwide bibliography of racism. It contains references on some 135 countries and extends from ancient times to the present. The first part of the work consists of references dealing with single countries. More than 10 000 citations are organized according to country from Afghanistan to Zimbabwe. The second part contains references to areas or regions or to related bibliographies. Some 2 000 non-duplicated citations are provided here. While the vast majority of entries are to English language materials, a number of German, French, Spanish and other language items are included as well. The work concludes with an author index and a subject index. Due to the many ways racism

manifests itself this bibliography will be of great value to scholars and students from a variety of disciplines from economics and education to sociology and history African Studies Review ,1993 Regional Organizations and Peacekeeping

Virginia Page Fortna,1993 **Current Bibliographical Information** Dag Hammarskjöld Library,1991 A Current Bibliography on African Affairs ,1991 **Historical Dictionary of Zimbabwe** Steven C. Rubert,Kent R.

Rasmussen,2001-07-17 Zimbabwe one of Africa's longer more promising countries has been in the news a lot recently for all the wrong reasons This more than justifies a third edition Zimbabwe has witnessed an incredible amount of history in the relatively short span of eighteen years The new edition of this dictionary updates the dictionary to keep it abreast of the changes in the country Hundreds of fresh entries cover new political leaders changing governmental cultural and economic developments and scores of place name changes There were also corrections to existing entries and an expanded bibliography *Robert Mugabe* Martin Meredith,2002 Martin Meredith pieces together the riveting and tragic political story of what happened to Zimbabwe and to a leader who once represented one of the world's best hopes for democratic Africa
