Crowther, 1987-02      Subject Guide to Books in Print , 1996      **The Christian Union** Henry Ward Beecher, 1891      Books in Print , 1991      Outlook Alfred Emanuel Smith, Francis Walton, 1891      **New York Times Saturday Review of Books and Art** , 1968 Presents extended reviews of noteworthy books short reviews essays and articles on topics and trends in publishing literature culture and the arts Includes lists of best sellers hardcover and paperback

**The New York Times Saturday Review of Books and Art** , 1968      *Leonardo Da Vinci, the Last Supper* Michael Ladwein, 2006 Many great works of art have been created that we call Christian but none has received as much acclaim as Leonardo da Vinci's Last Supper Art lovers venerate it for its composition and noble aesthetics whereas for Christians it epitomizes the intimacy between Christ and his disciples In recent years following the publication of bestselling fictional narratives and dubious historical studies The Last Supper has also become the focus of intrigue controversy speculation and sensation Recent restoration of the painting has exposed remnants of the original work and removed falsifications created by over painting Thus for the first time since its creation more than five hundred years ago we can contemplate Da Vinci's masterpiece in its more or less original form This lavishly illustrated full color book reproduces many details of the restored work and the author turns our attention to newly revealed aspects of The Last Supper that lead to fresh interpretations The philosopher Rudolf Steiner called The Last Supper the world's most important work of art adding that it revealed the meaning of Earth existence Michael Ladwein sheds light on many aspects of the spiritual facts that can be uncovered in this immortal painting one that has lost nothing of its urgency in our modern world      **Leonardo and the Last Supper** Ross King, 2012-01-01 Milan 1496 and forty four year old Leonardo da Vinci has a reputation for taking on commissions and failing to complete them He is in a state of professional uncertainty and financial difficulty For eighteen months he has been painting murals in both the Sforza Castle in Milan and the refectory of the convent of Santa Maria delle Grazie The latter project will become the Last Supper a complex mural that took a full three years to complete on a surface fifteen feet high by twenty feet wide Not only had he never attempted a painting of such size but he had no experience whatsoever in painting in the physically demanding medium of fresco For more than five centuries the Last Supper has been an artistic religious and cultural icon The art historian Kenneth Clark has called it the keystone of European art and for a century after its creation it was regarded as nothing less than a miraculous image Even today according to Clark we regard the painting as more a work of nature than a work of man And yet there is a very human story behind this artistic miracle which was created against the backdrop of momentous events both in Milan and in the life of Leonardo himself In *Leonardo and the Last Supper* Ross King tells the complete story of this creation of this mural the adversities suffered by the artist during its execution the experimental techniques he employed the models for Christ and the Apostles that he used and the numerous personalities involved everyone from the Leonardo's young assistants to Ludovico Sforza the Duke of Milan who commissioned the work

Ross King's new book is both a record of Leonardo da Vinci's last five years in Milan and a biography of one of the most famous works of art ever painted. **The Last Supper** Leonardo (da Vinci), 2001 The Rizzoli Quadrifolio art series combines the most popular artists with authoritative text and a fresh unique format destined to appeal to children and adults alike. Featuring sixteen pages that open up to four times the individual page size this series allows the reader to delve into the details of individual paintings or see the full horizontal development of a fresco. With stunning color reproductions, expert commentary and a revolutionary format, Rizzoli Quadrifolios is a pioneering art series. Following the success of Michelangelo the Sistine Chapel, Vincent van Gogh, Gustav Klimt and Caravaggio is Leonardo da Vinci's **The Last Supper**, a book dedicated to perhaps one of the most significant and recognizable works of art ever created. The reader is afforded extraordinary details of this restored but still deteriorating fresco, perhaps the Renaissance master's most important work. Located in a small monastery in Milan, the work has recently been restored so that the delicate faces which register with great subtlety the gravity of the moment at which Christ announces to his apostles that one among them will betray him are visible once again. Every inch of the work is reproduced here in illuminating close-ups so that the masterpiece can be appreciated anew. **The Last Supper** Domenico Squaitamatti, 2013 When Leonardo da Vinci began laying the first brushstrokes in 1494 on the refectory wall of the convent adjacent to the church of Santa Maria delle Grazie in Milan, he probably had no idea he was about to create one of the greatest artistic masterpieces of all time. Adopting the innovative and equally unusual dry painting technique, the Renaissance genius could not foresee that he would have condemned his work to a particular fragility and put its conservation at risk in the following centuries. This same technique, however, was what allowed an improved chromatic unity, a rendering of transparencies and light effects and an extreme precision in details visible only from close range. Today, thanks to the exclusive magnification published in this volume, realised by *Haltadefinizione*, the special digital photographic archive collecting a vast number of Italian artistic masterpieces, even the smallest details of the Last Supper, invisible to the naked eye, can be observed in all their expressive splendour. As you leaf through this book, you can admire from up close as never before possible the realistic expressions on the faces of the individual Apostles, the movements and positions of their hands and the smallest details of the outfitted table, thus entering practically into direct contact with Leonardo's genius at work. **AUTHOR** Domenico Squaitamatti is a priest who studied art, specialises in painting stained glass and mosaic. He performs the role of educator and teacher of the history of art in classical and scientific high schools. Beginning in September 2007, he has been charged by the Archbishop within the Curia to perform the role of collaborator at the Office of Cultural Heritage for the diocese with particular attention toward appreciating the value of the heritage within theological, catechetical and pastoral contexts. As an expert of art, he organises and manages courses of instruction in Art, Faith and Culture directed toward pastoral agents, tour guides, teachers and persons sensitive to art. He contributes to various publications dealing with the same subject. He is called upon from various contexts to hold cultural events and moments of
