The Killing of Joey Gallo

He had wit and style and charm. And the sophisticated friends and the color and flair of a Pat Joey, right out of *Guns and Dolls*. But the mob called him *Crazy Joey*, and long before anyone let a contract on his life, he was destined to wind up in the middle of a Hester Street with bullets in his body.

May, 2009-08-12 Organized crime and the mob figures who run it have long captured the imagination of the American public appearing since the early twentieth century as characters in a host of popular books movies and television programs But often what the public knew of such figures and their criminal careers was as much myth as fact This book offers highly readable carefully researched biographies that dispel the the myths but preserve the fascination surrounding 10 infamous New York mob leaders of the twentieth century Each in depth biography will help interested readers understand how and why each of these men achieved special notariety within the world of organized crime Each biography describes the early years of each man assessing how he came to a criminal career his rise to prominence within the mob providing reaction from those who knew him and witnessed his actions and the last years of his career assessing why it ended as it did Each biography is illustrated with a picture of its subject and concludes with a listing of additional information resources both print and electronic A detailed subject index provides further access to the large amount of information contained in each biography A timeline allows readers to quickly and easily track the birth death and important events in the life of each mobster Gangland New York Anthony M. DeStefano, 2015-07-01 Get a taste of New York s underworld by seeing where mobsters lived worked ate played and died From the Bowery Boys and the Five Points Gang through the rise of the Jewish Kosher Nostra and the ascendance of the Italian Mafia mobsters have played a major role in the city s history lurking just around the corner or inside that nondescript building Bill the Butcher Poole Paul Kelly Monk Eastman Lucky Luciano Carlo Gambino Meyer Lansky Mickey Spillane John Gotti each held sway over New York neighborhoods that nurtured them and gave them power As families and factions fought for control the city became a backdrop for crime scenes the rackets spreading after World War II to docks airports food markets and garment districts The streets of Brooklyn swamps of Staten Island and vacant lots near LaGuardia Airport hosted assassinations and hasty burials for the unlucky The bloodlettings arrests and trials became front page fodder for tabloids that thrived on covering Mulberry Street Chinese Russian and Greek mobsters rose to prominence and wrought bloody havoc as well Each of the book s five sections one for each borough traces

criminal activities and area exploits from the nineteenth century to now Everyone knows about Umberto's Clam House in Little Italy but now you can find Scarpato's restaurant in Coney Island where Joe Masseria was killed by henchmen of Salvatore Maranzano who in turn died in a Park Avenue office building at the hands of Lucky Luciano a few months later From the Bronx to Brighton Beach from New Springville to Ozone Park here is a comprehensive on the ground guide to mob life in the Rotten Apple **New York Magazine** ,1988-11-14 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **The Crime Confederation** Ralph Salerno, John S. Tompkins, 1969 Ralph Salerno described by the New York Times as the man who knows more about the Mafia than any person who is not a member of it here puts together a very comprehensive portrait of America's most successful industry He amplifies and interprets much that came out in The Valachi Papers but also gives a very clear picture of the evolution of The Syndicate why it is successful to the tune of 40 000 000 000 a year a conservative estimate and why the most powerful government in the world is incapable of protecting informers barring exile or a concentration camp existence There is a lot of detailed information recruiting methods power tactics means of corruption work from the top down and some sad projections for the future Crime will pay better than ever He discusses some possibilities of counter attack the rise of other ethnic groups and their influence the gains of international crime confederations and the attitude of the American public which should be disabused hopefully through an exposure like this It's a thinking taxpayer's book Kirkus **New York Magazine** ,1972-07-17 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *Murder at Dusk* Ian W. Shaw, 2018-06-26 Far away from any World War II battlefield the citizens of Melbourne lived in fear of a serial killer the Brownout Strangler May 1942 Melbourne was torn between fearing Japanese invasion and revelling in the carnival atmosphere brought by the influx of 15 000 cashed up American servicemen But those US forces didn't guarantee safety Not long after their arrival the city would be gripped by panic when the body of a woman was found strangled partially naked and brutally beaten Six days later another woman was found dead and her body told the same horrific story A murderer was stalking the streets As women were warned not to travel alone an intense manhunt ensued Not long after a third woman was murdered American soldier Eddie Leonski was arrested A calculating psychopath he had a twisted fascination with female voices especially when they were singing Acclaimed author Ian W Shaw brings World War II Melbourne to life and takes us
