

AWARD WINNER

THE  
KILLING  
OF  
NED  
CHRISTIE  
CHEROKEE OUTLAW

**Bonnie Stahlman Speer**

Foreword by Gregory Lauer, editor, *Wild West*, and Philip Morris,  
past president, NCHA (National Cowgirl Hall of Fame and Museum Association).

# The Killing Of Ned Christie

**Terry C. Treadwell**

## **The Killing Of Ned Christie:**

**The Killing of Ned Christie** Bonnie Stahlman Speer, Gregory Lalire, Phillip W. Steele, 1999-08-01 More than one hundred years have passed since Ned Christie was shot by deputies in his log fort east of Tahlequah. A former Cherokee legislator he was accused of killing a U.S. Deputy Marshal. He refused to give himself up and stand trial for fear he would not receive a fair trial in Isaac Hanging Judge Parker's court in Fort Smith, Arkansas. Soon he became known as one of the most notorious outlaws in Indian Territory. Finally he was blasted out of his home with dynamite and killed. Was he guilty of the crimes of which he was accused? Today the legends of his exploits still ring in the Cherokee hills he called home. Book jacket

**Black Gun, Silver Star** Art T. Burton, 2008-04-01 Deputy U.S. Marshal Bass Reeves appears as one of eight notable Oklahomans the most feared U.S. marshal in the Indian country. That Reeves was also an African American who had spent his early life as a slave in Arkansas and Texas makes his accomplishments all the more remarkable. Bucking the odds I'm sorry we didn't keep black people's history a clerk at one of Oklahoma's local historical societies answered a query. Art T. Burton sifts through fact and legend to discover the truth about one of the most outstanding peace officers in late nineteenth century America and perhaps the greatest lawman of the Wild West era. Fluent in Creek and other southern Native languages physically powerful skilled with firearms and a master of disguise Reeves was exceptionally adept at apprehending fugitives and outlaws and his exploits were legendary in Oklahoma and Arkansas. A finalist for the 2007 Spur Award sponsored by the Western Writers of America Black Gun Silver Star tells Bass Reeves's story for the first time and restores this remarkable figure to his rightful place in the history of the American West. The Cherokee Nation Robert J. Conley, 2005 The Cherokee Nation is one of the largest and most important of all the American Indian tribes. The first history of the Cherokees to appear in over four decades this is also the first to be endorsed by the tribe and the first to be written by a Cherokee. Robert Conley begins his survey with Cherokee origin myths and legends. He then explores their relations with neighboring Indian groups and European missionaries and settlers. He traces their forced migrations west relates their participations on both sides of the Civil War and the wars of the twentieth century and concludes with an examination of Cherokee life today. Conley provides analyses for general readers of all ages to learn the significance of tribal lore and Cherokee tribal law. Following the history is a listing of the Principal Chiefs of the Cherokees with a brief biography of each and separate listings of the chiefs of the Eastern Cherokees and the Western Cherokees. For those who want to know more about Cherokee heritage and history Conley offers additional reading lists at the end of each chapter. The Last Cherokee Warriors Philip Steele, 2022-12-21 A history of two Cherokee men and the personal hardships they faced against the US government in the nineteenth century. The expanding American frontier in the late 1800s created a battleground on which white and Indian cultures inevitably clashed. Slowly and inexorably the Native Americans were pushed from their land and stripped of their birthright. This engrossing volume documents the lives of the last Cherokee warriors Ned Christie and Ezekiel Proctor two angry men who struggled

against the tide of history and the power of the United States government to slow the encroaching whites and preserve their Cherokee heritage     [Lawmen of the Wild West](#) Terry C. Treadwell,2021-05-26 True stories of sheriffs marshals rangers and others in frontier law enforcement who fought to bring order to the lawless West includes photos Faced with ruthless criminals trigger happy gunslingers and assorted desperados the lawmen of the Old West tried and sometimes died in their efforts to bring some semblance of order to their towns and communities This book introduces more than thirty of them from familiar names like Wyatt Earp and Bat Masterson to lesser known figures from Dallas Stoudenmire John Selman and Bass Reeves Some at the time believed that former criminals would make the most effective lawmen Consequently notorious gunfighters might be employed as town marshals to bring law and order to some of the most lawless of towns These lawmen had to deal with the likes of the Dalton Gang the James Brothers and the Rufus Buck Gang who thought nothing of raping and murdering innocent people just for the hell of it These outlaws would frequently hide in Indian Territory where there was no law to extradite them The only law outside of Indian Territory was that of Judge Isaac Parker who administered the rules with an iron fist the gallows at Fort Smith laid testament to his work The requirements needed to be a peace officer in the Wild West were often determined only by the individual's skill with a gun and their courage At times judgment was needed with only seconds to spare and that also meant there was the odd occasion where justice and law never quite meant the same thing The expression justice without law was never truer than in the formative years of the West and this book tells that story

[Outlaws of the Wild West](#) Terry C. Treadwell,2021-04-28 This true crime history of the American Frontier separates fact from fiction with in depth profiles of thirty eight career criminals and infamous outlaw gangs In the years following the American Civil War the country's western frontier was home to a prodigious number of myth making cowboys infamous gunslingers saloon madams and not always law abiding lawmen But the romantic mystique of these individuals and the time in which they lived is largely the product of novelists and filmmakers In Outlaws of the Wild West Terry Treadwell presents the real stories behind such legends as Billy the Kid Butch Cassidy the Dalton Brothers and others as well as their lesser known but equally criminal peers Here are the stories of William Clark Quantrill and his Confederate Army unit Quantrill's Raiders who turned hit and run raids into a way of life Henry Starr the Native American career criminal who went on to play himself in the movie of his life Ann and Josie Bassett the sisters who defended their ranch from cattle barons with the help of Butch Cassidy and the Wild Bunch and many more     [Choctaw Crime and Punishment, 1884-1907](#) Devon A. Miheesuah,2009 During the decades between the Civil War and the establishment of Oklahoma statehood Choctaws suffered almost daily from murders thefts and assaults usually at the hands of white intruders but increasingly by Choctaws themselves This book focuses on two previously unexplored murder cases to illustrate the intense factionalism that emerged among tribal members during those lawless years as conservative Nationalists and pro assimilation Progressives fought for control of the Choctaw Nation Devon Abbott Miheesuah describes the brutal murder in 1884 of her own great great grandfather Nationalist Charles

Wilson who was a Choctaw lighthorseman and U S deputy marshal She then relates the killing spree of Progressives by Nationalist Silan Lewis ten years later Mihesuah draws on a wide array of sources even in the face of missing court records to weave a spellbinding account of homicide and political intrigue She painstakingly delineates a transformative period in Choctaw history to explore emerging gulfs between Choctaw citizens and address growing Indian resistance to white intrusions federal policies and the taking of tribal resources The first book to fully describe this Choctaw factionalism Choctaw Crime and Punishment is both a riveting narrative and an important analysis of tribal politics

**Cherokee Thoughts, Honest and Uncensored** Robert J. Conley,2008 Gaming and chiefing Imposters and freedmen Distinguished novelist Robert J Conley examines some of the most interesting facets of the Cherokee world In 26 essays laced with humor understatement and even open sarcasm this popular writer takes on politics culture his people s history and what it means to be Cherokee As provocative as it is entertaining Cherokee Thoughts will intrigue tribal members and anyone with an interest in the Cherokee people
