The Langoliers:

The Langoliers Stephen King, 2021-09-09 No 1 bestselling author Stephen King's unforgettable novella first included in his 1990 award winning collection *Four Past Midnight* and made into a highly acclaimed miniseries about a terrifying plane ride into a most unfriendly sky is now available as a stand alone publication The flight attendants were gone almost all the passengers were gone Brian Engle was willing to bet the 767's two man cockpit crew was also gone He believed Flight 29 was heading east on automatic pilot On a red eye flight from L A to Boston ten passengers wake up to discover everyone else has disappeared Brian Engle a trained pilot remembers something about a strange aurora borealis and turbulence reports over the desert Now he has to try to land the plane But the safe haven of Bangor airport is not what it seems It's eerily empty The clocks have stopped The food and drink is tasteless The fuel doesn't burn And the sound like radio static is getting closer Craig Toomy an investment banker believes he knows what's coming *The Langoliers* Which means time is quite literally running out A spine tingling propulsive novella *The Langoliers* is a brilliant read from the masterful Stephen King [The Lost Work of Stephen King](#) Stephen J. Spignesi, 1998 The author of three previous works about the modern master of horror describes unpublished manuscripts childhood and student writings nonfiction articles and even poetry by King providing insight into King's personality and his evolution as a writer Seventy five rarities are described and summarized with selected excerpts and notes on how to obtain a complete copy of the work Appendices review all of his mainstream material and film adaptations of his work including student films and TV features Annotation copyrighted by Book News Inc Portland OR

Literature for Today's Young Adults Kenneth L. Donelson,Alleen Pace Nilsen,1997 With 140 fewer pages than the fourth edition the fifth obviously has been tightened it s partly in the format with narrower margins and less white space Otherwise some text has been rephrased or rearranged and topics for example adolescent psychology given shorter shrift Coverage of Holocaust literature has been expanded and discussion of problem novels improved Sports books have been dumped in with humor movies and other stuff including humorous poetry which it seems the authors feel is the only kind teens read for pleasure other types of poetry as well as short stories and drama are relegated to the English classroom coverage of which has been enlarged The chapter on sf and fantasy is good on historical aspects but weak on today s writers A short list of Internet listserves and Web sites has been incorporated as part of using YA literature in the library Once again updating of appendixes seems spotty Nevertheless this is useful as a resource for youth librarians and a tool for teaching YA literature Sally Estes **Post Script** ,1995 Essays in film and the humanities
