The Last Diary Of Tsaritsa Alexandra:

The Last Diary of Tsaritsa Alexandra Tsaritsa Alexandra, Empress Alexandra (consort of Nicholas II, Emperor of Russia), 1997 The last Tsaritsa of Russia Alexandra Feodorovna was murdered with her family on the night of 16-17 July 1918 by agents acting on behalf of the revolutionary Bolshevik government The dramatic story of the demise of the Romanov dynasty has been recounted many times and has captivated the imagination of generations of readers throughout the world The recently declassified 1918 diary of Alexandra published here for the first time in its entirety provides something no other account could do a glimpse of the Tsaritsa's thoughts and activities from 1 January 1918 until the night of her death As the granddaughter of Queen Victoria Alexandra wrote in English though her native language was German and she became fluent in Russian after her marriage to Nicholas The 1918 Diary takes us into her private world revealing the care she lavished on her children during this period of revolutionary turmoil how she felt toward her husband Tsar Nicholas and what she imagined about the profound struggle between past and present old and new worlds the sacred and the profane then occurring over the destiny of Russia The diary reveals that even in her most intimate reflections she remained the representative of a great system of belief that had prevailed for hundreds of years in Russia and that she and Nicholas hoped to perpetuate We see in painful detail the tragic daily confrontation between this system of belief and the reality of the modern world that had in every sense broken free of her and Nicholas's control The Tsaritsa's diary is accompanied by an introduction by Robert Massie A rich biographical portrait of Alexandra the introduction places her in the historical context of the Revolution her marriage to Nicholas and the tragic events that encompassed her family and her nation Annals of Communism series First Serial Yale University Press *Alexandra: The Last Tsarina* Carolly Erickson, 2013-02-07 The lives and deaths of the Romanov family are redolent with colour and drama but the personal life of the beautiful Tsarina Alexandra has remained enigmatic Under Erickson's masterful scrutiny the full dimensions of the Empress's singular psychology are revealed her childhood bereavement her long struggle to attain her romantic goal of marriage to her handsome cousin Nicholas anguishing shyness the struggles with her in-laws a false pregnancy her increasing eccentricities as she became more preoccupied with matters of faith and her growing dependence on a series of occult mentors the most notorious of whom was Rasputin With meticulous care long practised skill and generous imagination Erickson has brought Alexandra and her family back to life Taking advantage of material unavailable until the fall of the Soviet Union Erickson portrays Alexandra's story as a closely observed enthrallingly documented progressive psychological retreat from reality *Diaries of Girls and Women* Suzanne L.
