**The Last Days of Mankind** Karl Kraus, 2015-11-24 One hundred years after Austrian satirist Karl Kraus began writing his dramatic masterpiece *The Last Days of Mankind* remains as powerfully relevant as the day it was first published Kraus's play enacts the tragic trajectory of the First World War when mankind raced toward self destruction by methods of modern warfare while extolling the glory and ignoring the horror of an allegedly defensive war This volume is the first to present a complete English translation of Kraus's towering work filling a major gap in the availability of Viennese literature from the era of the War to End All Wars Bertolt Brecht hailed *The Last Days* as the masterpiece of Viennese modernism In the apocalyptic drama Kraus constructs a textual collage blending actual quotations from the Austrian army's call to arms people's responses political speeches newspaper editorials and a range of other sources Seasoning the drama with comic invention and satirical verse Kraus reveals how bungled diplomacy greedy profiteers Big Business complicity gullible newsreaders and above all the sloganizing of the press brought down the Austro-Hungarian Empire In the dramatization of sensationalized news reports inured to atrocities and openness to war as remedy today's readers will hear the echo of the fateful voices Kraus recorded as his homeland descended into self destruction

**The End of the Spanish Civil War** Jonathan Whitehead, 2024-04-04 A history of the final stages of Franco's victory *The Spanish Civil War* ended in Alicante After Catalonia fell to the Hitler and Mussolini backed military rebellion of Franco's Nationalists at the outset of 1939 the legitimate Republican government of Dr Negrín was faced with a choice between apparently futile resistance or unconditional surrender to the triumphant Nationalists Choosing the path of continued defiance until they could force concessions or at least implement a mass evacuation of those Republicans most at risk in Franco's new Spain the government withdrew to Elda in the province of Alicante However their plans were thwarted by a new rebellion of Republican officers led by Colonel Segismundo Casado who resented Negrín's reliance on the Communist Party and the USSR and believed themselves better equipped to negotiate a peace settlement with Franco They were misguided Franco had no wish and ultimately no need to negotiate Meanwhile faced with the imminent risk of arrest by the new junta the Prime Minister and his cabinet were forced to abandon Spain from the tiny aerodrome of Monvar A relatively quiet port on the eastern Mediterranean coast of Spain Alicante had remained at some distance from the frontlines throughout the fighting on the ground but swiftly became a target for Italian bombers operating out of bases in the Balearic Islands In May 1938 at the height of the air offensive Italian bombers attacked the marketplace causing a massacre as tragic as the events in Guernica yet largely ignored by historians As the war drew towards its conclusion Alicante became increasingly significant as attention focused on the plight of the defeated Republicans In the second half of March 1939 the fronts collapsed and Madrid finally fell to the insurgents Tens of thousands of refugees descended on Alicante in the forlorn hope of rescue by French and British ships that had been promised but which failed to materialise Amid the tragedy as the British and French governments

declined to engage in any humanitarian intervention that might offend Hitler and Mussolini a single hero emerged Captain Archibald Dickson the Welsh master of the Stanbrook who ditched his cargo and transported 3 000 refugees to safety in North Africa On 30 March 1939 Franco s vanguard the Italian Volunteer Corps under General Gastone Gambara occupied a town already under the control of the Fifth Column Two days later the Generalissimo issued a communique from his headquarters in Burgos declaring that the war was over The bulk of the Republicans surrounded and captured in the port were marched to an improvised internment camp known as the Campo de los Almendros Field of Almond Trees They were then transferred to the infamous concentration camp at Albatera to share the fate of defeated Republicans across Spain and to undergo the program of ideological cleansing of the new fascist authorities **Forbes** ,1986 **The Nation** ,1965
