**Jesus Christ - Volume 1** Anthony Charles Garland,2007 A Commentary on the Book of Revelation Volume 2 The author presents a detailed study of the Book of Revelation emphasizing prophetic themes from the rest of the Bible which find their fulfillment in Revelation To understand this controversial book the author explores the many connections between the visions seen by the Apostle John and previous prophetic revelation given to Old Testament prophets such as Daniel Ezekiel and others It is the author s conviction that an understanding of related passages elsewhere in the Bible is the most important key to unlocking the bewildering variety of interpretations which often accompany the study of the last book of the Bible The commentary is linked to a free companion internet course providing an additional 70 hours of audio instruction linked to almost 1 000 slides      1 Kings 1 to 11, Proverbs, and Ecclesiastes John F. MacArthur,2016-03-29 Solomon is known as the wisest man who ever lived His writings in the Old Testament range from practical pithy proverbs to beautiful romantic poetry and all are filled with his knowledge and insights Yet behind those writings stood a flawed man who was conflicted between deep wisdom and tragic folly Sadly the king who warned against so many sins did not follow his own advice and he wound up leading Israel into idolatry Nevertheless his life and writings provide valuable lessons for us today in the twenty first century In this study pastor John MacArthur will guide you through an in depth look at the historical period beginning with Solomon s ascent to the throne and continuing through his tragic end Studies include close up examinations of the vital importance of wisdom with portraits of the wise woman the foolish sluggard and others in the book of Proverbs and careful considerations
