of contemporary Israel The Kibbutz and Hakibbutz Hameuchad , *Berl: The Biography of a Socialist Zionist, Berl Katznelson 1887-1944* Anita Shapira,2023-05-06 A youthful breakaway from the traditional Jewish society of White Russia Berl Katznelson 1887 1944 emigrated to Palestine in 1909 during the pioneering spasm of socialist Zionism known as the second aliyah In the interwar period he helped David Ben Gurion and Yitzhak Tabenkin to establish several of Israel s enduring Labour party frameworks and trade union institutions and thus to bring about socialist Zionism s early hegemony Wherein lay the source of Katznelson s immense authority What was his particular contribution to the development of the culture and mores of the developing Jewish society of his times Anita Shapira s achievement lies both in her subtle presentation of these questions and in her temperate search for the answers This richly evocative biography will allow social historians throughout the Western world to appraise a figure who is now becoming justly revered in his own country The American Historical Review Anita Shapira s book was something of a best seller when it first appeared in Hebrew in 1980 and it is not difficult to understand the reason Dr Shapira recounts Katznelson s life in the context of the fluctuating Arab Jewish relationship and the waverings of mandatory policy the whole dominated increasingly by the deteriorating Jewish position in Europe That is what makes this book more than a biography it is also a contribution to the history of Israel in its formative stage The present English edition remains an essential work for the understanding of Zionist and Israeli history The English Historical Review It is to the credit of Anita Shapira that she has single handedly rescued Berl Katznelson from oblivion When her book was first published in Hebrew it immediately became a best seller and its author the focus of a great deal of media attention For good reasons The book obviously touched a nostalgic nerve in the general public perhaps a longing for a lost generation of giant idealists But it could do so though this was hardly the author s intention because it portrayed an unidealized very human and therefore very real man It is rare to find an historian Professor Shapira s caliber who also has the talents of a novelist Throughout the book one feels the sure hand of the historian guiding the reader examining with him the subject of the book from a few angles employing a variety of techniques and sources primarily archival until a fully rounded personality emerges this volume is a well rounded sympathetic yet by no means uncritical analysis of one of the most fascinating figures in Jewish life in the twentieth century Middle Eastern Studies T he first full scholarly life of one of Israel s founding fathers The portrait which emerges here is of an attractive leader whose personality inspired a degree of respect and devotion bordering worship The author admits the difficulty in pinpointing the sources of Katznelson s magnetism but she demonstrates how it infused the varied facets of his socialist politics which he took to be as much a moral as an organizational calling In effect his greatness was in his personification of the conscience of the Jewish labour movement in its formative phase in the interwar years History This book is an abridged version of a two volume work in Hebrew published in 1980 It covers Katznelson s personal life and political activities in attempting to answer the riddle of his special leadership powers and can serve as an introduction to the study of Labor Zionism in Palestine between 1914 and

1944 this book makes a contribution to discovering the roots of today's conflicts Middle East Journal **Holocaust and Redemption** Mati Alon, 2003 Living 2000 years in exile the Hebrews had a 2000 year DREAM to return to their Promised Land The MIRACLE happened in 1948 when the State of Israel was founded Not yet the Third Temple the DREAM period was full of anguish tears and blood the Spanish Inquisition the Holocaust in Europe Anti-Semitism etc The MIRACLE period was also full of anguish tears and blood Fighting five Arab nations very well equipped without arms with a Western World arms embargo against Israel Then the SIX DAY War in 1967 when Egypt and Syria launched a surprise attack against Israel This was followed with the constant terror attacks the Intifadah mainly against Israeli civilians **The Kibbutz** Zionist Organisation. Youth and Hechalutz Dept, 1955 **Kibbutz Judaism** Shalom Lilker, 1982 This study discusses questions surrounding kibbutz and Judaism through examination of different kibbutzim and their issues ***Crisis and Transformation*** Eliezer Ben-Rafael, 1997-01-24 This book examines kibbutz life following the Israeli economic crisis of 1985 focusing on the kibbutz's dramatic transformation from a well defined social structure to a collective identified principally by its cultural preoccupations It centers on the contradictions endemic to kibbutz identity Ben Rafael shows how the crisis brought together a general pro change Zeitgeist with the interests of the kibbutz's stronger social segments and individuals to produce widespread changes and the fragmentation of kibbutz reality as a whole The book's findings are based on a large scale research investigation 1991-1994 headed up by Ben Rafael that included twenty research studies and involved the participation of researchers from diverse social science disciplines The book also provides a statistical abstract and a comprehensive kibbutz bibliography **Israel, Utopia Incorporated** Uri Davis, 1977 ***A History of the Co-operative Movement in Israel*** Harry Viteles, 1968 **A Hundred Years of Settlement** Haim Gvati, 1985 **Israeli Family and Community** Hannah Naveh, 2003 This volume of essays by prominent researchers in Israeli history and society is the second of two interconnected volumes engaging with the concept of women's time It brings a feminist gaze to a wide variety of fascinating issues facing contemporary Israeli society first by examining the private natural sphere of women's experience and then by addressing the interaction between the private and the national spheres as reflected in the media and in religious and military discourses Women's time involves resistance to self evident and often patriarchal truths and knowledge and by creating a model for the investigation of other obliterated narratives serves the well being of all in Israel and beyond **The Kibbutz Experience** Joe Crider, Saadia Gelb, 1974 **She'erit Hapletah, 1944-1948** Israel Gutman, Avital Saf, 1990 **Year Book of Agricultural Co-operation in the British Empire**, 1978 **Mapam Bulletin**, 1964
