The Known And The Unknowable In Religion

Charles Carroll Everett

The Known And The Unknowable In Religion

Josiah Royce

The Known And The Unknowable In Religion:

The Unitarian Review and Religious Magazine Charles Lowe, Henry Wilder Foote, John Hopkins Morison, Henry H. Barber, James De Normandie, 1875 **Unitarian Review and Religious Magazine**, 1875 *The principles of certitude. From the known to the unknown. Matter and force. Force and cause. The absolute in the correlations of feeling and motion. Appendix: Imaginary geometry and the truth of axioms. Lagrange and Hegel: the speculative method. Action at a distance* George Henry Lewes, 1875 *Unitarian Review and Religious Magazine* Charles Lowe, Henry Wilder Foote, John Hopkins Morison, Henry H. Barber, James De Normandie, Joseph Henry Allen, 1875 **The Nature and Reality of Religion** Frederic Harrison, Herbert Spencer, 1885 **Dissertations for the Doctorate in Sacred Theology** Catholic University of America, 1895 *The Monist* Paul Carus, 1894 Vols 2 and 5 include appendices *The Way of Tao Part II*, **An Introduction to the Philosophy of Religion** John Caird, 1880 A reprint of the 1880 classic work by John Caird **"The Monist**, 1894 *The Student's Journal*, 1880 *The Eclectic Magazine of Foreign Literature, Science, and Art*, 1884 *The Church Quarterly Review* Arthur Cayley Headlam, 1877 *The Religious Sentiments of the Human Mind* Daniel Greenleaf Thompson, 1888 *Meditation: The Art of Ecstasy* Osho, 2023-02-28 Concentration is a choice. It excludes all except its object of concentration. It is a narrowing. If you are walking on the street you will have to narrow your consciousness in order to walk. You cannot ordinarily be aware of all that is happening because if you are aware of everything that is happening you will become unfocused. So concentration is a need. Concentration of the mind is a need in order to live to survive and exist. That is why every culture in its own way tries to narrow the mind of the child. *Nineteenth-Century Religion, Literature and Society* Naomi Hetherington, Clare Stainthorp, 2020-12-14 This four volume historical resource provides new opportunities for investigating the relationship between religion literature and society in Britain and its imperial territories by making accessible a diverse selection of harder to find primary sources. These include religious fiction, poetry, essays, memoirs, sermons, travel writing, religious ephemera, unpublished notebooks and pamphlet literature. Spanning the long nineteenth century c 1789-1914 the resource departs from older models of the Victorian crisis of faith in order to open up new ways of conceptualising religion. Volume four on Disbelief and New Beliefs explores the transformation of the religious landscape of Britain and its imperial territories during the nineteenth century as a result of key cultural and intellectual forces. **The Religious Aspect of Philosophy** Josiah Royce, 1885 *Knowing the Unknowable* John Bowker, 2009 Albert Einstein once remarked that behind all observable things lay something quite unknowable. This book explores that special territory perceived by Einstein where the unknown takes over from everything that is understandable, familiar, explicable. *Papers and Speeches*, 1885 *The Spectator*, 1900

The Known And The Unknowable In Religion Book Review: Unveiling the Power of Words

In some sort of driven by information and connectivity, the power of words has be more evident than ever. They have the ability to inspire, provoke, and ignite change.
