## **The Kurds Culture And Language Rights:**

*The Kurds* Kerim Yildiz, Georgina Fryer, 2004-01-01      *Kurdish Culture and Society* Lokman I. Meho, Kelly L. Maglaughlin, 2001-02-28 Unique timely and up to date this volume is the first comprehensive bibliography on Kurdish culture and society Compiled to help students educators researchers and policy makers find relevant information with ease the book includes more than 930 items in four major languages Arabic English French and German This work covers the fields of anthropology archaeology art communication demography travel economy education ethnicity health journalism language literature migration music religion social structure urbanization and women s studies The volume includes books and book chapters journal articles Ph D dissertations conference papers articles in dictionaries and encyclopedias and important Web sites Essays provide an overview of Kurdish society as well as surveys of Kurdish life in Syria the former Soviet Union Europe and Lebanon An invaluable guide for researchers interested in the Kurds and Kurdistan this book will aid in the location of information that is highly diverse and scattered With its focus on a timely subject this book fills a major gap in the bibliographic literature      **The Discourse about Kurdishness and Indigeneity** Aynur Unal, 2024-09-20 The Discourse About Kurdishness and Indigeneity Kurdish Political Movement in Turkey presents a comprehensive analysis of the self identified Kurdish identity within the Kurdish political movement in Turkey adopting an indigenous perspective The analysis is mainly focused on the parliamentary politics of three distinct periods in Turkey including the inception of the Kurdistan Workers Party PKK the emergence of other pro Kurdish political parties since the 1990s and the parliamentary politics through the Peoples Democratic Party HDP In addition to the central perspective of indigeneity the theoretical framework of the book including internal colonialism and Orientalism within Orient perspectives is also employed to critically investigate the relationship of post colonial nation states with multi ethnic societies in the case of Turkey and the Kurdish struggle The research consists of a mixed methods approach to explore the discourse on Kurdishness by analysing party programs statements and semi structured interviews The book utilises the Discourse Historical Approach to analyse data and provide an interpretation of the concept of indigeneity within the discourse on Kurdishness It sheds new light on the Kurdish political movement and other indigenous peoples in Mesopotamia who were rendered invisible after the First World War due to the emerging political discourse in the Middle East      *The Kurds in Turkey* Kerim Yildiz, 2005-08-20 With a foreword by Noam Chomsky this is the most up to date critical analysis of the problems faced by the Kurds in Turkey Turkey has a long history of human rights abuses against its Kurdish population a population that stretches into millions This human rights record is one of the main stumbling blocks in Turkey s efforts to join the EU The Kurds are denied many basic rights including the right to learn or broadcast in their own language This book written by a leading human rights defender provides a comprehensive account of the key issues now facing the Kurds and the prospects for Turkey joining the EU Kerim Yildiz outlines the background to the current situation and explores a range of issues including civil cultural and political rights

minority rights internal displacement and the international community's obligations regarding Turkey      *The Kurdish Question in U.S. Foreign Policy* Lokman I. Meho, 2004 The first ever sourcebook on U S Kurdish relations The Kurdish Question in U S Foreign Policy is a unique and timely work It not only reproduces the full text of over 325 of the most important U S government documents dealing with the Kurdish question but also provides both a guide to U S government sources for locating subsequently published materials and an annotated list of over 200 primary and secondary sources Thorough and instructive the book serves as an invaluable research tool and published national archive of U S government documents on U S Kurdish issues U S government information is crucial for any research or reading on American involvement in Kurdish affairs This sourcebook alleviates some of the problems associated with using U S government documents such as lack of access and difficulty in identifying relevant sources It educates users on where and how to find relevant U S government information on the Kurds as well as other stateless nations Detailed subject author and title indices are also included to allow easy access and identification of key materials The first ever documentary sourcebook and annotated bibliography on U S foreign policy towards the Kurds The Kurdish Question in U S Foreign Policy should appeal to all academic special and public libraries as well as among government and news agencies      **Is the Idea of a Jewish State Anachronistic, Based on 19th Century Ideology, and Incompatible with 21st Century Values?** Kathrin Nina Wiedl, 2007-11 Essay from the year 2006 in the subject Politics International Politics Region Near East Near Orient grade 1 7 Ben Gurion University Middle East Institute course Politics and Society of Israel 32 entries in the bibliography language English abstract When we look at the contemporary discussions inside and outside Israel we see a tendency to question the right of Israel to exist as a Jewish State This criticism comes from two different perspectives On the one hand it is questioned if a Jewish State defined by the law of Halakha in important personal matters like marriage and divorce and in several public affairs such as no public transportations on Shabbat is contradicting individual rights such as freedom of religion and women's rights On the other hand it is questioned if the idea of a Jewish State is compatible with the value of democracy equal citizen rights for all citizens including the Arab Israelis and incompatible with human rights This essay aims to prove that a Jewish State is an essential part of the world community in order to ensure human rights inside and outside of Israel and justified from the perspective of 21st century values In order to make this point we have to examine three things First Are the values that led to the Zionist demand of a homeland for the Jewish people still values of the 21st century and is this demand still justified Second Does the Idea of a Jewish State contradict the values of the 21st century Third Does the reality of all civilians inside the Jewish and democratic State of Israel contradict the values of the 21st century In this essay we will first define the term Jewish State as it was defined in the early ages of Zionism by Herzl in his book *Der Judenstaat* 1896 and the Basle Congress in 1897 We refer to Herzl because he is regarded as the founder of modern Jewish nationalism as expressed in the Zionist idea and as the father of modern Israel      **The Kurds in Syria** Kerim Yildiz, 2005-10-20 This is the

first book to focus on the plight of the Kurds in Syria The Kurds are Syria s largest minority and continue to be subject to extreme human rights abuses Along with Kerim Yildiz s other recent books The Kurds in Iraq and the Kurds in Turkey this builds on his comprehensive analysis of the current human rights situation for the largest ethnic group worldwide without its own state Yildiz examines the contemporary situation of the Syrian Kurds in the context of Syria s own history and the present situation where it is outlawed as a terrorist state by the USA Fifty percent of Syria s income now goes on military spending for Syria feels threatened by her neighbours and this is mirrored in the way minorities are treated within the country Covering all aspects of Kurdish life including language education religion and history Yildiz offers a unique insight into the human rights situation of the Kurds in Syria The Kurds Martin Short,Anthony McDermott,1981 **Cultural and Language Rights of the Kurds** Catherine Pierse,1997 *Kurdish Culture and Identity* Philip Kreyenbroek,Christine Allison,1996 While Saddam Hussein s persecution of the Kurd s and his military attacks on them have drawn world attention to the political plight of the Middle East s largest ethnic minority much less is known of their culture This volume seeks to remedy this gap Its contributors who include both leading Western and Kurdish scholars provide overviews and some detailed examinations of various dimensions of Kurdish culture and its historical underpinnings Making clear the differences that exist in a community that is spread across four countries in the region Iran Iraq Turkey and Syria and recognizing that Kurdish culture is in the process of change successive chapters look at Kurdistan s written literature as well as its oral tradition material culture including textiles and costume and religion **Record of the Arab World** ,1970 *The Kurds in Iran* Kerim Yildiz,Tanyel B. Taysi,2007-02-20 An up to date analysis of the problems faced by Iran s Kurdish population

**Cultural and Spiritual Values of Biodiversity** United Nations Environment Programme,1999 Weaving together philosophical historical legal scientific and personal viewpoints this book gives a rich sample of the vast web which makes up our cultural spiritual and social diversity The volume highlights the central importance of cultural and spiritual values in the appreciation and preservation of all life and argues that these values give us a true reflection of worth It demonstrates how many cultures see Nature as an extension of society and how sensitive stewardship is an integral part of existence The book covers language and how cognition and speech encode indigenous knowledge systems are critical for preservation of diversity the complex issue of indigenous people and the problems of preserving their relationships both with and within their societies voices of the world expressions of concern and disquiet over the declining world diversity holistic health practices where environment and diet are integrated into indigenous medical health systems the importance of developing effective intellectual property rights and territorial and land rights to enhance and maintain local control This book arose out of the Global Biodiversity Assessment GBA a massive review of current knowledge in the broad field of biological diversity commissioned by United Nations Environmental Programme UNEP **Know the Kurds Series** ,1974 **The Kurds** Fâliḥ ʿAbd al-Jabbār,Hosham Dawod,2006 A landmark study of ethnicity and self determination in the case of the Kurds *The*

*Kurdish Question and the 2003 Iraqi War* Mohammed M. A. Ahmed, Michael M. Gunter, 2005 The 2003 Iraqi war has heightened Kurdish nationalism not only in the Iraqi Kurdistan but also in Turkey Syria and Iran Having enjoyed 13 years of self government in the safe haven zone which was created and protected by the 1991 Persian Gulf War allies the Iraqi Kurds have embarked on an ambitious campaign to consolidate their political and economic gains of the past thirteen years The Kurds are seeking safeguards from both the Coalition Provisional Authority led by the United States and from the Iraqi Governing Council with a view to preventing the recurrence of past atrocities committed against them by successive Arab governments in Baghdad The Kurdish campaign has faced stiff opposition from their neighbors to their demand for the creation of a federal democratic and secular system of government in Iraq While the Arab opposition inside Iraq are fearful that the introduction of such a system might lead to the disintegration of the country the neighboring countries claim that granting the Kurds greater freedom in Iraq will incite their Kurdish population to demand the same The book presents pros and cons regarding the Kurdish demand      **Nationalism and Language in Kurdistan, 1918-1985** Amir Hassanpour, 1992 Standardization as defined in this study is a struggle to create a national language It involves more than alphabet reform or codification of phonology and vocabulary Standardization is treated as language development similar and closely related to social economic and political development The approach here is interdisciplinary cutting across a number of fields in social sciences sociolinguistics political science mass media studies education and policy studies      Textes Adoptés Par L'Assemblée Council of Europe. Parliamentary Assembly, 2006      The Kurdish Nationalist Movement in the 1990s Robert W. Olson, 2015      Index Islamicus , 2007
