The Lady With The Carnations:

The Carnation Murder Tam May, 2022-03-21 If you're looking for a humorous historical small town cozy who done it series featuring a smart and sassy amateur woman sleuth you've come to the right place. Can a forward thinking woman help the police solve a murder in a backward thinking town California 1903? Smart, inquisitive and a firm believer in the new progressive reforms Adele Gossling seeks a new life after the devastating death of her father. She flees San Francisco for the small town of Arrojo, planning a life of peace and small pleasures with nothing more exciting than selling fountain pens to the locals in her stationery shop and partaking in the town's favorite pastime: gossip. Peace is exactly what she doesn't get when she discovers her neighbor's dead body in her gazebo. The police think they have a firm suspect: the young man who was secretly engaged to the victim. But Adele and her clairvoyant new friend Nin Branch suspect he's innocent. In spite of the raised eyebrows from Arrojo's Victorian minded citizens, they set out to prove the young man didn't do it. But if he didn't, who did? Can Adele and Nin solve this puzzling case involving a striped carnation, a diamond ring, a note, a muddy pair of boots, and a broken promise? If you love historical mysteries, comfy cozies, amateur detectives, female sleuths, small town mysteries, humorous whodunits, and early 20th century fiction set in America, you'll love this series. Fans of Lee Strauss, Rosie Hunt, Sonia Parin, and R.A. Wallace will love these books too. Pick up your copy of *The Carnation Murder* for a fun, absorbing mystery set in Northern California at the turn of the 20th century. What early reviewers are saying: Really well paced and researched appropriately for the era. The story comes alive. Great new series, the time period details are interesting, and the mystery intriguing. Don't forget to check out the other books in the Adele Gossling Mysteries: *The Lady with the Carnations* Marie Corelli, Pierre Brissaud, 18?? *The Hired Baby with Other Stories and Social Sketches* Marie Corelli, 1891

The Black Carnation Fergus Hume, 2021-11-09 In *The Black Carnation*, Fergus Hume weaves a masterful tale of mystery and intrigue set within the opulent world of Victorian society. The narrative unfolds with the disappearance of a young woman and the subsequent unraveling of tightly held secrets, all thematically intertwined with symbolism. Hume's atmospheric prose, combined with vivid characterizations and a suspenseful plot, offers readers a lens into the darker facets of human desire and moral ambiguity, typical of the detective fiction genre emerging in this era. The novel, rich in Gothic elements, captures the societal tensions and the undercurrents of both humor and tragedy characteristic of Hume's style. Fergus Hume, a pioneer of detective fiction, was influenced by the burgeoning cultural milieu of late 19th century England, where urbanization led to newfound complexities in human interactions and ethics. Hailing from New Zealand, Hume's experiences shaped his narrative voice, driving him to explore themes of justice and identity through mystery. His debut novel, *The Mystery of a Hansom Cab*, paved the way for his subsequent works, including *The Black Carnation*, which further solidified his status in the literary canon. I highly recommend *The Black Carnation* to readers who appreciate intricately plotted mysteries that offer both entertainment and a reflective exploration of societal norms. Hume's distinctive blend of suspense

and psychological depth not only engages the reader but also prompts contemplation on the moral choices that define us This book is essential for anyone interested in classic detective fiction or the rich tapestry of Victorian literature *The Hired Baby* Marie Corelli,1891 **Temple Bar** George Augustus Sala,Edmund Yates,1887 **The Lady with the Carnations** Marie Corelli,2005-12 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work **The Carnation Manual** National Carnation and Picotee Society.
