**Land of Little Rain, by Mary Austin ,1903**    *The Land of Little Rain* Mary Hunter Austin,2017-03-26 I confess to a great liking for the Indian fashion of name giving every man known by that phrase which best expresses him to whoso names him Thus he may be Mighty Hunter or Man Afraid of a Bear according as he is called by friend or enemy and Scar Face to those who knew him by the eye s grasp only No other fashion I think sets so well with the various natures that inhabit in us and if you agree with me you will understand why so few names are written here as they appear in the geography For if I love a lake known by the name of the man who discovered it which endears itself by reason of the close locked pines it nourishes about its borders you may look in my account to find it so described But if the Indians have been there before me you shall have their name which is always beautifully fit and does not originate in the poor human desire for perpetuity Nevertheless there are certain peaks canons and clear meadow spaces which are above all compassing of words and have a certain fame as of the nobly great to whom we give no familiar names Guided by these you may reach my country and find or not find according as it lieth in you much that is set down here And more The earth is no wanton to give up all her best to every comer but keeps a sweet separate intimacy for each But if you do not find it all as I write think me not less dependable nor yourself less clever There is a sort of pretense allowed in matters of the heart as one should say by way of illustration I know a man who and so give up his dearest experience without betrayal And I am in no mind to direct you to delectable places toward which you will hold yourself less tenderly than I So by this fashion of naming I keep faith with the land and annex to my own estate a very great territory to which none has a surer title    [The Land of Little Rain](#) Mary Austin,2017-08-27 Mary Hunter Austin September 9 1868 August 13 1934 was an American writer One of the early nature writers of the American Southwest her classic The Land of Little Rain 1903 describes the fauna flora and people as well as evoking the mysticism and spirituality of the region between the High Sierra and the Mojave Desert of southern California    *The Land of Little Rain* Mary Hunter Mary Hunter Austin,2017-04-30 How is this book unique Font adjustments biography included Unabridged 100% Original content Illustrated About The Land of Little Rain by Mary Hunter Austin Mary Austin s Land of Little Rain first published in 1903 is considered by many to be one of the foundational texts in environmental writing now studied as a classic in the literature that sought to describe the complexity of the American continent Like John Muir who wrote so intimately of the High Sierra that vast acreages have been preserved through the knowledge he shared the work of Mary Austin has allowed those who will never travel there a deep feeling for the special beauties of the Southwest Her poetic sensibility expressed in an inimitable prose paint a timeless portrait of that vast dry expanse the Mojave northward from the Mexican border to Death Valley with the Eastern Sierra to the west and the Colorado River to the east Told with power and distinction sketches reproducing with vivid reality life in the arid region of Southeastern California Not often does a book of such unusual quality or so picturesque a character come before the reader Mrs Austin writes as one who is in touch with all the

moods of the wild which stretches around her The Brooklyn Eagle The charm of the whole lies in three qualities the novelty and interest of the subject the picturesque texture of the author's mind and in a style which is both cultivated and racy and adapted to conveying her unusual sense of beauty The Nation There is in it much keen observation much shrewd suggestion and no end of delight Science The snatches of description here and there vivid in color and scent living pictures of mountain nooks open ranges and herders camps and carrying with them the subtle perfume of earth and woods The book is a veritable call of the wild and one can hardly read it without feeling a longing for the free and open life it describes The Boston Transcript A work which has given us great delight There is a smack of Stevenson about the book and as a literary work it is vivid The London Spectator *The Land of Little Rain* Mary Hunter Austin, 2005 Large Format for easy reading A beautifully written study of the natural history of the Californian desert an exploration of its landscape and peoples and the necessary adaptations needed to survive in its harsh environment *The Land of Little Rain* Mary Hunter Austin, 1991-09-01 Bonded Leather binding *The Land of Little Rain* Mary Austin, 2021-02-04 I confess to a great liking for the Indian fashion of name giving every man known by that phrase which best expresses him to whoso names him Thus he may be Mighty Hunter or Man Afraid of a Bear according as he is called by friend or enemy and Scar Face to those who knew him by the eye's grasp only No other fashion I think sets so well with the various natures that inhabit in us and if you agree with me you will understand why so few names are written here as they appear in the geography For if I love a lake known by the name of the man who discovered it which endears itself by reason of the close locked pines it nourishes about its borders you may look in my account to find it so described But if the Indians have been there before me you shall have their name which is always beautifully fit and does not originate in the poor human desire for perpetuity **The Land of Little Rain** Mary Austin, 2000 First published in 1903 it contains a series of interrelated lyrical essays about the inhabitants of the American Southwest both human and otherwise *A Literary History of the American West* Western Literature Association (U.S.), 1987 Literary histories of course do not have a reason for being unless there exists the literature itself This volume perhaps more than others of its kind is an expression of appreciation for the talented and dedicated literary artists who ignored the odds avoided temptations to write for popularity or prestige and chose to write honestly about the American West believing that experiences long knowns to be of historical importance are also experiences that need and deserve a literature of importance

*Encyclopedia of the Environment in American Literature* Geoff Hamilton, Brian Jones, 2014-01-10 This encyclopedia introduces readers to American poetry fiction and nonfiction with a focus on the environment broadly defined as humanity's natural surroundings from the discovery of America through the present The work includes biographical and literary entries on material from early explorers and colonists such as Columbus Bartolome de Las Casas and Thomas Harriot Native American creation myths canonical 18th and 19th century works of Jefferson Emerson Thoreau Whitman Hawthorne Twain Dickinson and others to more recent figures such as Jack London Ernest Hemingway Norman Mailer Stanley Cavell Rachel

Carson Jon Krakauer and Al Gore It is meant to provide a synoptic appreciation of how the very concept of the environment has changed over the past five centuries offering both a general introduction to the topic and a valuable resource for high school and university courses focused on environmental issues The Shade of the Saguaro / La sombra del saguaro. Essays on the Literary Cultures of the American Southwest / Ensayos sobre las culturas literarias del suroeste norteamericano

Gaetano Prampolini, Annamaria Pinazzi, 2013 This volume springs from that fruitful project of scientific cooperation between the humanities departments of Universit di Firenze and University of Arizona which was the Forum for the Study of the Literary Cultures of the Southwest 2000 2007 Tri cultural at least Native Hispanic and Anglo American and multi lingual today s Southwest presents a complex coexistence of different cultures the equal of which would be hard to find elsewhere in the United States Of this virtually inexhaustible object of study the essays here collected tackle an ample range of themes While the majority of them are concerned with the literatures of the Southwest still a good third falls into the fields of history art history ethnography sociology or cultural studies They are partitioned in four sections the first three reflecting the chronology of the stratification of the three major cultures and the fourth highlighting one of the most sensitive topics in and about contemporary Southwest the borderlands la frontera
