Literary Music Stephen Benson, 2017-03-02 Music is commonly felt to offer a valued experience yet to put that experience into words is no easy task Rather than view verbal representations

of music as somehow secondary to the music itself Literary Music argues that it is in such representations that our understanding of music and its meanings is constituted and explored Focusing on recent fictional and theoretical texts Stephen Benson proposes literature narrative fiction in particular as a singular form of musical performance Literary Music concentrates not only on song and opera those forms in which words and music overtly confront one another but also on a small number of recurring ideas around which the literary and the musical interact including voice narrative performance and silence The book considers a wide range of literary and theoretical texts including those of Blanchot and Bakhtin Kazuo Ishiguro Vikram Seth David Malouf and J M Coetzee The musical forms discussed range from opera to the string quartet together with individual works by Elgar Strauss and Michael Berkeley As such Literary Music offers an informed interdisciplinary approach to the study of literature and music that participates in the lively theoretical debate on the status of meaning in music

The History of Our Modern World, 2001 Moreschi and the Voice of the Castrato Nicholas Clapton, 2008 Known as the Angel of Rome Alessandro Moreschi was the last surviving castrato singer of the Vatican choir and the only castrati whose voice was recorded Its ethereal haunting quality was highly prized for centuries in the papal basilicas and opera houses of Europe readers can request a copy on CD using details in the book The castrati tradition was established in Italy in the sixteenth century by Pope Clement VIII and by the seventeenth century had moved onto the secular operatic stage where castrato singers were feted as the pop stars of their day No other singers came close to matching their fame and notoriety By the nineteenth century however their very existence had become an embarrassment and when Moreschi himself joined the Sistine Chapel in 1883 there were only six castrati left in the choir and by 1903 they were officially no more The strange and lonely life of Alessandro Moreschi was lived in the shadows of great events and great institutions his personality glimpsed only by inference and allusion Written by the acclaimed musicologist and countertenor Nicholas Clapton this is a perceptive and informed study of the last survivor of a perennially intriguing part of Western cultural history Clapton addresses the complexities inherent in such a complicated and historically neglected subject establishing that castrato singers were an integral part of the lineage of Western music that should not be judged or condemned from the perspective of the twenty first century A professor of singing at the Royal Academy of Music Nicholas Clapton's career as a counter tenor has seen him particularly involved in performing the repertoire of the great castrati In 2006 he produced and presented a television documentary on the castrato voice for the BBC

Now Playing at Canterbury Vance Bourjaily, 1977-06 The plot is launched by English Professor Rigby Short whose opera libretto 4000 is about to be performed at a large Midwestern university The novel's cast is composed of a gaggle of graduate students some local singers and several professionals from the outside An esteemed Japanese conductor appears on the scene along with a wisecracking director from Philadelphia What happens Short is asked when such a diverse group comes together They tell lies So they do splendidly There is the yarn about the innocent temptress from Biloxi and the odd revenge she takes on the man who steals her away That one is topped by the tale of the fastest Jeep in the world and a deadly race in the Mexican foothills A graduate student contributes a chiller about a pack of man eating cats in his home town When they are not swapping whoppers and case histories the members of the troupe couple and uncouple in scenes that manage to be both erotic and clinically detached Jealousies arise and a small epidemic of paranoia breaks out as opening night approaches
