

WONDERY

A woman with long dark hair is shown from the side, her head tilted back as she gazes into the distance. Her eyes are the focal point, through which a vibrant, futuristic city skyline is visible. The city is set against a backdrop of rolling hills and mountains, with a warm, orange and yellow glow from the setting or rising sun. The woman is wearing a dark, long-sleeved top and dark pants. The overall composition is a blend of a portrait and a landscape, with the city serving as a metaphorical reflection in her eyes.
