The Last Reunion E. Daniel Nusbaum, Mary Nusbaum, 2006-09-30 The Last Reunion is an intense drama of good vs evil of lethal conflict between spirit empowered Jim Hoeven and his immortal adversary An unusual use of scripture frames this political and spiritual intrigue Jim is found on the steps of an Indiana orphanage during a December blizzard His life leads him from the cornfields and forests of the American heartland into the halls of Congress and the international arena Blessed with rare powers he struggles to fulfill his mission against overwhelming odds Among the cast of characters Sarah Rainey bossy orphanage cook Ann Feeney Jim's beloved Irish nanny Russ Walker Indiana governor and senator Sapphira Duviere the evil house lady beautiful Carolyn Kelley surgeons Weber and Little wise Pastor Alfred Dunlop and satanic Wendell Anderson Romance danger escalating suspense fears sorrows joys and a surprise ending comprise this story Humanity's destiny hangs on the outcome and maybe just maybe it isn't fiction What readers are saying Fantastic So well written A modern day fable Laurie McKray Real Estate agent Salt Lake City Utah An excellent read Could hardly put it down even to eat Bob and Ann Wood retired sailors Savu Savu Fiji Awesome you guys The hospital scenes were radical Dannette Mainville pre med student and mother Kokomo Indiana One of the most intriguing and insightful books I've read in a long time Scott Torrey automobile salesman Logansport Indiana

"The Last Reunion" Jose Medina, 2016-11-18 As the new millennium opens the greatest generation draws to a close The December of their years are closing fast Soon the men and women who lived through the war will only be memories The Last Reunion depicts the experience and turmoil that they encountered through the years by using their unit Seventy Seventh Infantry Division reunions as milestones The central character is a platoon sergeant who leads them through the war years and remained close to certain members of his platoon and squad The story begins with the sergeant's death and the subsequent discovery by his wife of a long held secret the sergeant had hidden in an old war chest The story flashes back to the battle for the island of Okinawa his unit's participation and real events that occurred there such as the death of Ernie Pyle a war correspondent universally respected by the grunts and military personnel and widely known for his novel Here is Your War in 43 The story shifts to the first reunion held in Atlanta in 56 Racial attitudes and the widening gap between the white and colored citizens are portrayed against the new enlightenment of the veterans The old ways are being challenged and many of the vets are questioning what exactly did they fight for The America they fought for has changed dramatically They see the vanquished nations they fought against reasserting themselves and becoming allies The stability of the democracy is becoming more fragile and the promises they thought would follow victory become hollow Alcoholism isolation resentment and confusion haunt the sergeant as he tries to fit into the world he now finds himself in His wife tries to help him resolve his turmoil only to find that the more she tries to help the more isolated he becomes As the decades pass more and more of the men of the platoon die some in circumstances that mock their experiences during the war Each reunion reflects the dwindling numbers of those able to attend As the veterans mature they make a salutary peace with

the past and present But the wife of the sergeant does not find peace with her husband but a cease fire She comes to accept that he is what he is and understands that whatever changed him cannot be undone After the discovery of the secret in the war chest she attends the last or final reunion and discovers the event her husband guarded so severely She then attempts to resolve the issue and finally begins to understand why the person who left her to go to war never returned www JoseMedinabooks com
