Catch a Falling Star John Brunner, 2011-09-29 A hundred thousand years from now it was discovered that a star was approaching the world on a collision course Its discoverer Creohan figured there might be time to save the world if he could arouse everyone to the danger But the Earth had become a strange and kaleidoscopic place in that distant era Too many empires had risen and fallen too many cultures had spread their shattered fragments across a planet whose very maps had long since been forgotten People were too busy with their own private dreams to pay attention to one more new alarm The story Creohan s effort to Catch a Falling Star is one of John Brunner s most colourful science fiction concepts
