## **Sky Creatures Living Ufos:**

*The Sky Creatures: Living UFOs* Trevor Constable, 1978-12-15 New Saucerian presents the final revised edition of *The Sky Creatures Living UFOs* which provides the most concise and complete look at the groundbreaking work of the late military historian James Trevor Constable whose intriguing theories sparked the widespread 21st century fascination with intelligent energies what some call spaghetti monsters that apparently live in our skies and can be photographed using special processes This extraordinary book has done what thousands of astrophysicists exobiologists and ufologists have failed to do It breaks through the baffling UFO mystery to demonstrate the presence of living critters in the sky a nearly invisible lifeform of unknown origin Drawing on the theories of Rudolf Steiner and Dr Wilhelm Reich *Sky Creatures* uniquely states with photographic evidence that UFOs are not extraterrestrial spaceships at all but biological organisms inhabiting our own planet Written in clear non technical language these pages present UFOs as they have never been presented before as bio organisms native to our atmosphere living with us side by side unnoticed since the beginning of time The special reprint was originally published by Saucerian Press whose founder Gray Barker immortalized Constable in the books *Gray Barker at Giant Rock* and *Bender Mystery Confirmed* It features an updated cover showing one of the most recent photographs of a sky creature taken not long before Constable's death on March 31st 2016

**The New Circlemakers** Andrew Collins, 2009-03 What is the mystery of the crop circles Are they manmade or supernatural Today the majestic crop formations grace the very same pastures of southern England that in the past were the haunts of fairies hobgoblins and mysterious lights Here too are some of Britain's most spectacular prehistoric landscapes Stonehenge Avebury and Silbury Hill all act as ominous backdrops to the crop circle phenomenon Did our ancestors know something about this beguiling enchanting landscape that we are only now waking up to for the first time Is there a higher intelligence responsible for such creations and if so who are they and what are they trying to tell us

Bizarrely the answer might lie not here on earth but 37 000 light years away in the constellation of Cygnus the Northern Cross where lurks a star perhaps responsible not only for the foundation of the world's earliest stone monuments but for the emergence of humanity itself

*The Alien Book* Nick Redfern, 2019-09-01 Unmasking the mysteries of alien life on earth

Make mention of the word alien and it conjures images of black eyed large headed dwarfish beings that have come to be known as the Greys Indeed Greys have become a staple part of pop culture never mind just the field of UFO research They've appeared in Steven Spielberg's classic 1977 movie *Close Encounters of the Third Kind* They regularly popped up in *The X-Files* And of course there are numerous people all across the world who claim to have been abducted by the Greys and subjected to intrusive medical experiments Yet before the 1950s the Greys were nowhere in sight

Civilizations development and species origin technologies Vadym Valeriyovych Korpachev, 2020-07-07

The origin of life on Earth is the basic view of the world's concept At present its origin and development are treated either from the scientific evolutionary theory points of view or religious mythological ones At the same time the evolutionary theory fails to provide grounded explanations to a lot of events which have happened and are observed in nature The data related to the complexity of life processes genetic programming and many biology and palaeontological facts cast doubt on the possibility of spontaneous occurrence of protein organisms during evolutionary transformations They indicate that the protein life development occurred in the direction of the planned improvement through the complex technology's implementation which requires specific scientific knowledge Therefore the necessity to formulate the new technological concept of the life appearance on Earth which is provided by the given book has occurred It summarizes numerous well known facts which are being interpreted as the result of the highly developed civilization

technological developments The stated views have more grounds for existence than the evolutionary theory and biblical ideas about the divine creation of the world The fact that society treats all the ideas of the life creation as religious ones and that they are used by the theologians turns out to be the ideological problem The book is aimed at overcoming the barrier of such non perception The analysis performed allows the reader to understand in which cases random events occur and in which ones there is a logical purposeful intelligent activity the result of which is the development of self replicating protein organisms programmed to perform the work necessary to meet the needs of their creators on Earth Reflections on the possible material nature of the highly developed mind carriers are given According to the author a human being is not a passive observer of random evolutionary changes in nature but has his mission in the artificially developed system of energy supply of Earth along with other protein organisms If the protein world including humans has been created for a specific purpose then mankind must not violate its implementation and should follow its mission A new worldview should introduce changes in the main mankind s activity spheres science politics religion and the human being s personal life The book is designed for a wide range of readers of various specialties Conceptually it is important for people who do not share the evolutionary theory provisions and existing religious beliefs     The Ultimate Reality Joseph H. Cater,1998-09 This book is Mr Cater s follow up work to *The Awesome Life Force* It contains countless gems of thought provoking ideas In this two volume set you will discover an explanation for seemingly unexplainable phenomena Levitation missile weight loss in space pyramid power and a closer look at the properties of light Joseph Cater points out the fundamental weakness in conventional mathematics The role of the soft electrons is expanded upon Magnetic fields and astronomical error in determining planetary sizes and distances are fully explained Volume 2 carries us into the mystery of the Crystal Skull Have you ever wondered how from certain rock formations water can be produced Everything in the process of creation proceeds from the simple to the more complex If there is a test for the validity of a theory or concept in its ability to be explained Joseph Cater accomplishes it in this set of books You do not have to be a genius to understand there is something here for everyone     **UFOs and the Extraterrestrial Contact Movement: Unidentified flying objects** George M. Eberhart,1986     **The Complete Book of Extraterrestrial Encounters** Randall Fitzgerald,1979     *The UFO Literature* Richard Michael Rasmussen,1985     *Cosmic Test Tube* Randall Fitzgerald,1998 By the author of *The complete book of extraterrestrial encounters* 1979 Provides descriptive summaries of over 150 books on ancient astronauts UFO contactees abductees debunkers and skeptics and the search for radio signals from space     The Encyclopedia of Extraterrestrial Encounters Ronald Story,2001 With contributions by a host of experts on all things alien this compendium of UFOria is a comprehensive A to Z encyclopedia containing over 800 entries 300 drawings photos     *Spaceships of the Pleiades* Kal K. Korff,1995-03 The case of Eduard Billy Meier has gained worldwide attention for his claims of being in on going contact with aliens from the star cluster known as the Pleiades Purported to be the most documented UFO account of all time Meier s files consist of 1 000 photographs and

12 motion picture films of the visiting spacecraft Through thousands of pages of contact notes Meier claims to have passed on the wisdom and advanced technical knowledge from his conversations with these aliens designed to help guide our evolution In addition he alleges that 40 independent eyewitnesses have also seen the alien ships and observed Meier s contacts with them The aliens also left numerous landing tracks in the ground and gave Meier various rock metal mineral and crystal samples as proof of their visitations Author Kal Korff conducted the most thorough examination ever into the case of Billy Meier and all its alleged evidence and reveals here how a Swiss farmer hatched and continues to maintain the most elaborate UFO hoax in history     *The Encyclopedia of UFOs* Ronald Story,J. Richard Greenwell,1980 An illustrated alphabeticallyarranged collection of more than 350 articles concerned with numerous aspects of the UFO controversy
