Slave From Antioch:

Slave From Antioch Samuel W. Lockerman, 2002 If you re a slave survival is the key to everything This was especially true during the Crusades Levi understood this and developed his own rules However he was unprepared for the critical test the confrontation The delicate balance he lived by was threatened The choice was simple drop the rules or face almost certain violent death Surviving that tomorrow he would surely face the murderous revenge of those who now hated envied or had marked him Levi s decision thrust him on a course of random events filled with peril outside his control offering no return Saladin the great Moslem leader and Reynald de Chatillion wily Christian the most despised Prince of the Outremer both ordered events that demanded so much of Levi physically and spiritually As if to defy the laws of inertia Levi had only his wits to get through the tangled paths of reward and punishment greed and justice love and hatred

Free, Howard Frederic Vos, 1992 Using Bible history as the unifying element rather than a topical approach this book shows how archaeological discoveries in Bible lands have helped to confirm the accuracy of Scripture The authors also deal with issues of Biblical interpretation and criticism not strictly archaeological in nature Free s text has been updated and revised by Vos Paul's Declaration of Freedom from a Freed Slave's Perspective Robin G. Thompson, 2023-03-27 This project attempts to listen to voices that have seldom been heard While others have explored Paul s theology of Christian freedom they have not considered how Paul s declaration of freedom would have been received by those who most desired and valued freedom the slaves and freedpersons in the Galatian churches In this study Robin Thompson explores both Greek and Roman manumission considers how the ancient Mediterranean world conceived of freedom and then examines the freedom declared in Galatians from a freed slaves s perspective She proposes that these freedpersons would likely have perceived this freedom to be not only spiritual freedom but at least in the Christian communities individual freedom as well Papers of the Institute of Jewish Studies London Institute of Jewish Studies (London, England), 1964 *The Mameluke; Or, Slave Dynasty of Egypt, 1260-1517, A. Lennox Manton, 2016-01-15 This book illuminates the journeys of Saint Paul in Roman Asia Minor in a way that has not previously been attempted and the discussion presented here is in no way an effort to discuss various aspects of Saint Paul s theology Saint Paul was reticent with the details of his journeys and this has given rise to much subsequent learned speculation as to their actual course and possible deviations In the nineteen sixties I drove over the course of Saint Paul s journeys visiting

those cities known to him Many of the roads especially that between Laodicea and Antalya had very poor surfaces and I speculated then that these roads must have been much worse in Saint Paul s time I was drawn to the conclusion that St Paul s journeys may have deviated from historical and theological accepted wisdom and in this book I have proposed what I believe to be some likely variations in the routes of parts of his journeys
