friends and in the hope that it may add something of accurate information regarding the character and influence of an institution which for two hundred years dominated the country exercising a potent but baneful influence in the formation of its social civil and industrial structures and which finally plunged it into the most stupendous civil war which the world has ever known As the enlightenment of each generation depends upon the thoughtful study of the history of those that have gone before everything which tends to fullness and accuracy in that history is of value even though it be not presented with the adjuncts of literary adornment or thrilling scenic effects American Slave Series **British Museum Catalogue of printed Books** ,1888 **The American Decisions** ,1886 *American Supplement to Encyclopaedia Britannica* ,1893
