Sleeping Tiger:

Awakening the Sleeping Tiger: The True Story of a Professional Chinese Athlete , The Bent Tree and the Sleeping Tiger Christopher Dutton, An old hermit monk journeys to the edge of a vast plain of long grass and resides under a great Bent Tree where also rests a sleeping tiger While there he is visited by various characters who seek some solution to their life problems The old man uses tales debate and taoist philosophy to help them weave their way back into a happier tapestry of life These tales mix humour with deep thought which at first confounds but always enlightens in the end Far from the Road the road more or less travelled there is under the Bent Tree surrounded by long grass an Old Man and a sleeping Tiger That is to say that sometimes the man sleeps and sometimes the tiger sleeps There are times too that both sleep but because there is always peace there are never times that both do not sleep Strangely too there is always one tiger for one man or one woman never more never less What does this mean We know the road is life more or less travelled We know the long grass is the vagueness of fates between living and wisdom We see things in the distances of our destiny but how do we get there Do we want to get there The Bent Tree is easy It is Death and it is Wisdom For all knowledge comes with Death the Great Portal and then that is the end of all Knowledge Which is Wisdom also The Death of all Knowledge Under the Bent Tree knowledge sleeps We are left to explain a man and a tiger The tiger sleeps and the man is awake The man is Logic Reason Consciousness The man sleeps and the tiger roams Do not be alarmed however Though the tiger is indeed a man or woman s passions without reason and logic passion is only passion It is Natural It creates It knows nothing of evil Unless the man or woman awakens also Then we have a soul to deal with **Sleeping Tiger** Rosamunde Pilcher,1993 **Eastern Proverbs and Emblems Illustrating Old Truths** James Long,1881 **Cruising World** ,1986-07 *Saving Wild Tigers, 1900-2000* Valmik Thapar,2006 **Sleeping Tiger** Joanna Mansell,1986 *Addiction and Recovery: What Everyone Should Know* Dr. Agyenim Akuamoah-Boateng "Dr. Boat",2020-06-23 *Addiction and Recovery What Everyone Should Know* By Dr Agyenim Akuamoah Boateng Dr Boat Addiction is a terrible disease and affects families loved ones friends and to some extent everyone in the community *Addiction and Recovery What Everyone Should Know* explains the basic understanding of addiction or drug and alcohol dependency and recovery process myths about addiction and recovery recovery process and expectations recovery and relapse prevention strategies and a road map for recovery This book is written not necessarily for individuals dealing with mental health and substance use disorders but for millions of people who are eager to understand this progressive disease of addiction It is important to know how to intervene what and when to say anything to ensure effective communication to help motivate and support individuals struggling with substance use disorders to quit without the consequences of making them angry and trigger cravings and usage It is my hope that this book will also help Behavioral Health Clinicians BHC especially new graduates and those with no history of alcohol and drug abuse and are intimidated and made infective in their substance abuse professional counseling practices by utterances from addicts such as How can you
