## Slipping Into Darkness A Novel:

**The Victorian Novel of Adulthood** Rebecca Rainof, 2015-09-09 In *The Victorian Novel of Adulthood* Rebecca Rainof confronts the conventional deference accorded the bildungsroman as the ultimate plot model and quintessential expression of Victorian nation building. The novel of maturity she contends is no less important to our understanding of narrative Victorian culture and the possibilities of fiction. Reading works by Charles Dickens, George Eliot, Henry James, John Henry Newman, and Virginia Woolf, Rainof exposes the little-discussed theological underpinnings of plot and situates the novel of maturity in intellectual and religious history, notably the Oxford Movement. Purgatory, a subject hotly debated in the period, becomes a guiding metaphor for midlife adventure in secular fiction. Rainof discusses theological models of gradual maturation, thus directing readers' attention away from evolutionary theory and geology and offering a new historical framework for understanding Victorian interest in slow and deliberate change. [Falling For The Light \(Novel\)](#) Sounak Ghosal, 2025-01-14 *Falling for the Light* by Sounak Ghosal. Amidst the chaos of World War II and its aftermath, Max, a soldier, battles not just on the front lines but within his heart. Torn by betrayal and haunted by loss, he struggles to find peace and purpose in a post-war world. This novel follows Max's journey of redemption and resilience. As he rebuilds his life, Max must confront his deepest fears and desires. Will he find the strength to embrace the light or be consumed by the shadows of his past? Sounak Ghosal masterfully weaves a tale of love, betrayal, tragedy, and rebirth. *Falling for the Light* is a gripping story that captures the enduring power of the human spirit. Dive into a narrative where even in the darkest times, love can lead the way. Discover a story that will keep you captivated from beginning to end, reminding us that sometimes the greatest love stories are born from the ashes of tragedy. [The Budget story books](#) Budget story books, 1894 [Children's Books in Print, 2007, 2006](#) [Dawnbringer: The Complete Story](#) Joshua Elzner, 2024-04-08 A complete epic medieval fantasy saga. *Dawnbringer* is a series of novels set in the world of Ierendal, upon the small continent of Telmerion, cold and rugged and yet inhabited since the beginning of human history by the first family of humankind. Though the setting is high fantasy, a work of co-creative imagination fashioning a mythical world with its own history and geography, the plot and the ins and outs of the world are deeply realistic, portraying as it were an ancient and long-forgotten past of our own world. Or more precisely, what is offered here is a mythical exposition of the true past that we all share, with very little magic or other fantasy tropes but with a great deal of magic, in other words, a world filled with wonders and terrors of all kinds: from the ancient guardians of the world, the Anaion, to vicious and deadly beasts such as dragons, e-tenga, and druidach. The characters find themselves caught in the cosmic battle between light and darkness, between the weakness of love and the power of hate, which casts its rays and its shadows also into the heart of every man and woman. The journey marked out before their feet calls for integrity, fidelity, and heroism, and also something even more: something that lies at the heart of every good adventure and every life, and which is the very measure of man. When Eldarien returns to his homeland after many years away, burdened by the

awareness that he has perpetrated great evil at the hands of an Empire whose knight he has become he encounters a continent riven by strife and war and threatened by creatures even more horrifying born of the very darkness itself He wishes to lay aside the sword to leave behind a past marked with violence and bloodshed but he also longs to aid his people against the forces that endanger their very existence And such a path he cannot walk alone facing obstacles both within and without and he finds given to him both the light that he wishes to serve and friends to share the journey All the while the land that he loves slides inexorably into conflict into what shall be known henceforth as the War of Darkness and he and those to whom he is joined are called upon to share the fate of their people looking forward in hope to the promised coming of dawn after darkest night Throughout time myth has been one of the fundamental activities of the human heart as it seeks to contemplate and understand the mystery of reality to find a path through the fabric of history as its tapestry is ever woven a path that unveils meaning in the enigmas of life and gives sense and stability to the drama of existence But especially the activity of myth of fantasy is born of a primal wonder before the awesome miracle of being and of the fundamental human activity which is play and serves to keep this wonder and play alive always In precisely this way it has been and shall always be a catalyst to enkindle and deepen the longing in the heart of each one of us for redemption for a new and better world a world where righteousness and happiness dwell and all is freedom and purpose unity and harmony ecstatic delight and true adventure Such does Dawnbringer humbly seek stepping into the flowing current of thought and imagination as it surges on through history offering in a narrative of proportions both intimate and epic a glimpse of the light that shines upon us all and of the conflict that resides at the center of every life that the weak again may be strong and the child again may be king
