**The Guardian Angels: Our Heavenly Companions** Sisters of Perpetual Adoration ,2016-08-23 DO YOU know who is your best and most faithful friend It is one whom God Himself has placed at your side as a life companion a Prince from His own Heavenly Court your Guardian Angel God in His goodness has appointed him to guide and protect you through life and to lead you safely to your Eternal Home From the very beginning of your existence your Guardian Angel has been concerned about you He rejoiced when you were born into the world just as a good mother rejoices over the birth of her child From the day of your Baptism you became ever dearer to your Guardian Angel ever more loved by him Day and night he watched at your cradle He led you as you took your first steps He cared for you with most tender love when danger threatened He grieved when you

committed sin as if he himself had received the greatest injury and he left you no peace until you became reconciled with God by a good Confession He has watched and prayed with you in hours of distress He has rejoiced with you in days of prosperity On the day of your First Holy Communion he was the bridal attendant of your soul As often as you have received the Bread of Angels in the state of grace he has rejoiced to accompany you to the Holy Table He it was who prayed for you specially when the hand of the bishop anointed you as a soldier of Christ in the Sacrament of Confirmation Your Guardian Angel is your best counselor Particularly will he assist young boys and girls in their choice of a vocation He will shield you amid the dangers of the world If you call upon him he will help you to find the life companion whom God has destined for you He will ever remain at your side so that you may faithfully and conscientiously fulfill the duties of your state in life If God has called you to the religious life or to the holy priesthood your Guardian Angel will protect you from the temptations of the world and help you to preserve your virginal purity to offer it to God at the altar by your holy vows or to offer the sacred Body of Christ with unstained hands and holy lips as a priest of the Most High In short your Guardian Angel is your companion in all the circumstances of life your friend in good as well as evil days He will one day assist you in a very special manner when you enter into life's last conflict Then he will fight with you and for you until you have won the battle and your heart is at rest But not even then will he leave you there where every other even the best of friends must leave on the threshold of eternity When the light of earth fades away and the brightness of eternity bursts upon you your Guardian Angel will present your soul before the tribunal of God and faithfully plead your cause What is more if you require purification in the flames of Purgatory your holy Angel will visit and console you He will bring before God's throne the good works that are performed for you on earth and he himself will intercede for you Finally when your time of purgation is ended he will joyfully bring you word of your release from the flames of Purgatory and will lead you to the blissful kingdom of Heaven But to benefit by the presence of this heavenly companion you must be docile to his inspirations and never turn away from this holy Angel who is your guide and your protector

**The Guardian Angel** Tamuna Tservadze, 2018-04-10 Lily is the only person in Golden City who has no guardian angel thus cannot be protected from any accidental harm As a result no one wants to be near her or have her as a friend because it might cause bad accidents around However Lily still studies hard in a normal school and wishes to enroll in the Angel Host Academy the institute where all strong hosts of mighty guardian angels study and have battles to hone their skills and receive prizes which includes money as well as the title of Strongest Yearly Angel Host in Yearly Championships Lily's elder sister Linda whose guardian angel is the main archangel Michael himself is already a long time graduate and legendary champion of Angel Host Academy Lily is always regarded low so she wishes to prove her worth no matter she has no angel She always strives to find new ways to call upon her angel whom she believes she possesses and tries to find the light within Only later shall she find out that light is not the only place to look for angels
