Doesn't Work Jack Corbin Getz,2010-07-07 Almost everyone has an opinion about what prayer is and how it ought to work But for many prayer produces far less than the saints say it should While some surveys suggest that up to 90 percent of us believe in prayer enough to do it daily that lofty statistic is tempered by the sobering claim that average believers only pray for eight to twelve minutes a week If that s not a red warning flag that prayer has a serious public relations problem what is Praying When Prayer Doesn t Work is a thoughtful often witty account of the author s journey to find prayer s elusive promise for himself A pastor for thirty years Jack uses humor plenty of secondary resources scripture real life stories and his own unique insights to illustrate how both routine and exceptional circumstances may be used to trigger meaningful ongoing and productive prayer While challenging harmful assumptions dogma with unconventional observations Getz also looks at prayer s four public relations problems identifies the perfect environment for prayer and examines the three critical attitudes necessary to pray with great effect Also the wisdom and helpful suggestions found in the useful study guide can teach sincere seeker s of the truth how to get personal with God and make praying a choice not a chore **Contemplative Practices and**

Acts of Resistance in Higher Education Michelle C. Chatman, Lee Ray Costa, David W. Robinson-Morris,2024-11-04 The contributors to this volume educators student affairs practitioners and higher education staff heartfully share a broad range of contemplative practices and acts of resistance used within the confines of shattered systems and institutions for

themselves their colleagues and their students The narratives in this volume broadly imagine inspire recount and guide readers toward the fullness of their humanity and wholeness within institutions of higher education At the same time these accounts navigate the operational realities of daunting demands on the mind body and spirit the growing turbulence of working on higher education campuses across the country and a sense of urgency toward collective life affirmation within modern higher education institutions Each chapter features critical framing of a concept personal stories of this concept in action and descriptions of contemplative practices for readers to use in their own contexts Together chapter authors demonstrate what it means to be a contemplative practitioner attentive to issues of power racism and marginalization in higher education today With a deep breath and mindful awareness this book invites faculty and staff at colleges and universities on a transformational journey with the contributors toward fullness in pursuit of becoming whole and inspiring change
