audiophile whose obsession for music welcomes all formats Through it all the joy and fascination of music collecting in all its guises comes alive ***E Mess*** T.E.D. Sullivan,2014-04-21 Based on real accounts ***E Mess*** shows a different side of the Vietnam conflict ***E Mess*** is the story of a group of young Marines begrudgingly assigned as cooks in Da Nang Vietnam who drink cook and interact with one another as only Vietnam era Marines could The story follows the triumphs and missteps of these men and in particular the rise and fall of rookie Dave Woods during the tumultuous years of 1969 and 1970 Dave's disdain for authority and rules finds him in and out of trouble but his undaunted loyalty to his friends and his more than capable leadership is what makes ***E Mess*** the compelling story that it is As the days drag on the reader will meet some unusual characters Some are funny some are sad and some are very sad The reader will also experience real life situations through the eyes of these men such as the 1969 ammo dump explosion the sweep of the ville for American deserters and a skivvie run into the ville to meet some ladies of the night ***E Mess*** offers comic relief which was very much needed during the conflict but at times might make the reader want to cry for the poor grunts on the front line The grunts are never far from the cooks minds as they go about their daily routines This book will make you laugh cry and shake your head by some of the decisions made by higher ranking individuals
