## **Skid Row:**

*Encyclopedia of Homelessness* David Levinson, 2004-06-21 Click Additional Materials for downloadable samples This valuable reference provides an excellent overview of a serious world wide problem As such it is an essential purchase for all libraries LIBRARY JOURNAL star review Levinson s remarkable work deserves an award for tackling this complex social problem in such a very thorough and well organized way Highly Recommended CHOICEAt any given moment about 3 million American women men and children are homeless And another 5 million Americans spend over 50% of their incomes on housing meaning that one missed paycheck one health crisis or one unpaid utility bill can push them out the door into homelessness Homelessness is one of the major social problems and personal and family tragedies of the contemporary world No community city or nation is immune and the lack of affordable housing and a decline in secure well paying jobs means that the problem will only get worse The Encyclopedia of Homelessness is the first systematic effort to organize and summarize what we know about this complex topic that impacts not only the homeless but all of society The Encyclopedia focuses on the current situation in the United States with a comparative sampling of homelessness around the world Key Themes Causes Lifestyle Issues Health Issues and Services History Legal Issues and Advocacy Government Policies and Programs Organizations Research Approaches Service Systems and Settings Size and Characteristics of the Homeless Population Public Perceptions of Homelessness World Issues and Perspectives Quick and Easy Regional Comparisons Additional descriptive articles cover homelessness today in a sample of American cities and a sample of cities and nations of the world allowing for quick and easy comparisons The Encyclopedia contains entries on Australia Brazil Canada Cuba France Guatemala Japan Nigeria Russia Sweden the United Kingdom Zimbabwe Tokyo Calcutta London and others around the world The Encyclopedia of Homelessness meets the needs of a broad audience offering a rich history and the data views and perspectives of experts from different disciplines and perspectives including Sociologists Anthropologists Economists Historians Social Policy Analysts and Planners Program Administrators Physicians Social Workers Lawyers who provide advocacy and services Journalists Students of history social studies and the social sciences in high school through graduate school Appendices In addition to the articles the Encyclopedia provides five carefully researched and compiled appendices that make this the key starting point for the study of homelessness Homelessness Autobiographical and Fictional Homelessness in Popular Culture Film Directory of Street Newspapers Documentary History Selection of primary source material Master Bibliography Key Features Two volumes and over 150 entries organized alphabetically Entries written by an international team of leading authorities in the field Reader s Guide groups entries by broad topic areas Appendices offer a wealth of additional information Social Problems and Public Policy Lee Rainwater, 1974 Deviance is by definition a social problem Since deviant behavior violates the normative expectations of a given group deviance must be regarded as a problem for that group since all groups of people want their norms to be enforced Many modern societies place considerable

value on personal liberty so much so that interference with personal choices to deviate from group norms can be justified only in terms of the potential damage that particular kinds of behavior might do to the legitimate interests of others. Sociological research suggests that the social problem associated with deviance is often the behavior of individuals who violate norms cannot be justified in terms of basic values of liberty social order or justice. In other kinds of deviance though the social problem is that people or in a more organized way social institutions interfere with individual liberty and self realization. Each selection in this volume has been chosen to cover a full range of substantive problematic issues a range of social science perspectives that can be brought to bear on issues of all kinds and a range of social science methodologies used in studying modern society. Deviance and Liberty is divided up into thirty nine contributions and five main parts ranging from Modern Perspectives on Deviance and Social Problems Deviant Exchanges Gambling Drugs and Sex Deviant Personal Control Illness Violence and Crime Deviance Identity and the Life Cycle and Moral Enterprise and Moral Enforcement. It is a welcome addition to the libraries of those interested in the study of deviance or society as a whole.

**Vagrant Nation** Risa Goluboff, 2016-01-25

In 1950s America it was remarkably easy for police to arrest almost anyone for almost any reason. The criminal justice system and especially the age old law of vagrancy served not only to maintain safety and order but also to enforce conventional standards of morality and propriety. A person could be arrested for sporting a beard making a speech or working too little. Yet by the end of the 1960s vagrancy laws were discredited and American society was fundamentally transformed. What happened? In *Vagrant Nation* Risa Goluboff answers that question by showing how constitutional challenges to vagrancy laws shaped the multiple movements that made the 1960s. Vagrancy laws were so broad and flexible that they made it possible for the police to arrest anyone out of place. Beats and hippies Communists and Vietnam War protestors racial minorities and civil rights activists gays single women and prostitutes. As hundreds of these vagrants and their lawyers challenged vagrancy laws in court the laws became a flashpoint for debates about radically different visions of order and freedom. Goluboff's compelling account of those challenges rewrites the history of the civil rights peace gay rights welfare rights sexual and cultural revolutions. As Goluboff links the human stories of those arrested to the great controversies of the time she makes coherent an era that often seems chaotic. She also powerfully demonstrates how ordinary people with the help of lawyers and judges can change the meaning of the Constitution. The Supreme Court's 1972 decision declaring vagrancy laws unconstitutional continues to shape conflicts between police power and constitutional rights including clashes over stop and frisk homelessness sexual freedom and public protests. Since the downfall of vagrancy law battles over what if anything should replace it like battles over the legacy of the sixties transformations themselves are far from over.

**Co-Creative Placekeeping in Los Angeles** Brittany Shannon, David C. Sloane, Anne Bray, 2023-12-05

Co-Creative Placekeeping in Los Angeles is a novel examination of Los Angeles based socially engaged art. SEA practitioners equitable placekeeping efforts. A new concept equitable placekeeping describes the inclination of historically marginalized community

members to steward their neighborhood's development improve local amenities engage in social and cultural production and assert a mutual sense of self definition and the efforts of SEA artists to aid them Emerging from in depth interviews with eight Southern California artists and teams Co Creative reveals how artists engage community members sustain relationships and defy the presumption that residents cannot speak for themselves Drawing on these artists and theoretical analysis of their praxes the book explicates equitable community engagement by exploring not just the creative projects but also the underlying phenomena that inspire and sustain them community engagement relationships and defiance What further sets this book apart is how it deviates from the conventional who and what of SEA projects to foreground the how and the why that inspire and necessitate collectively creative action Co Creative is for anyone studying arts based community development and gentrification given it complicates and enriches the current conversation about art's undeniable and increasingly controversial role in neighborhood change It will also be of interest to researchers and students of urban studies

Skid Row Howard M. Bahr, 1973 Social research study of alcoholism delinquency and other social problems associated with homelessness among poverty stricken adults in the urban area slum areas of the USA covers public attitudes about homeless men the social characteristics of the homeless the social structures of skid row social control and rehabilitation homeless women etc Illustrations and references From Hobohemia to Skid Row Keith Arthur Lovald, 1960 Deviance: Studies in the Process of Stigmatization and Societal Reaction Alfred Carpenter Clarke, 1969 **Homelessness in the United States** Jamshid A. Momeni, 1989-01-20 Chapters in this work describe and analyze homelessness in 15 states from all geographic regions of the US The diversity of survey locations reveals a variety of forces contributing to homelessness There are frequent efforts to situate the problem within the sociopolitical context of the 1980s An occasional chapter contains rich theoretical commentary the scope of the findings is compelling and the contradiction of stereotypes is effective Choice This volume reads and holds together well even though each of the 14 chapters was written by a different individual or group covers a different section of the country uses different types of data sources and analytical methods and evidences differing perspectives An excellent foreword and introduction Bruce Wiegand Howard M Bahr put everything in context Library Journal The essays in this volume attempt to answer some of the basic questions involved in the study of homelessness They address such issues as the nature and extent of homelessness in the United States the socioeconomic and demographic features of the homeless population and how homelessness is conceptualized Other examined matters include family background duration of homelessness shelter and social needs socioeconomic causes and the demands of the homeless issue on national policy This work provides a unique sociological and demographic perspective on the problems of homelessness Its emphasis on local and state level studies will make it invaluable for civic groups and policy makers It will also interest scholars in the fields of housing urban sociology and social problems Atkinson's Evening Post and Philadelphia Saturday News, 1963-10 The Art of Skid Row Colton Boettcher, 2016-06-01 The Art of Skid Row is a tool to reference the need for a

new system of housing Through this book the human element of Homelessness Urban Poverty become a visceral experience The Art of Skid Row is an awareness campaign designed to shift the public perception of homelessness Homelessness is a human rights issue The fundamental truth of homelessness is humans not having homes Whatever arguments or roadblocks against the development of affordable housing across the planet this book serves as a reminder to the human element of the issue we are discussing With the vision of our partner photographers we take you on a journey to understand the underlying roots causes and experiences of homelessness     Historic Preservation & the Imagined West Judy Mattivi Morley,2006 She draws on extensive interviews city council proceedings and historic plats and photographs to construct a detailed picture of how these districts originally looked and were used how they were renovated and to what ends they were marketed
