Henry Wilson

Slave Hunt:

Master Slave Husband Wife Ilyon Woo, 2024-01-16 Presents the remarkable true story of Ellen and William Craft who escaped slavery through daring determination and disguise with Ellen passing as a wealthy disabled white man and William posing as his slave *History of the Rise and Fall of the Slave Power in America* Henry Wilson, 1872 **Literary Bondage** William Luis, 2014-05-23 In the nineteenth century the Cuban economy rested on the twin pillars of sugar and slaves Slavery was abolished in 1886 but one hundred years later Cuban authors were still writing antislavery narratives William Luis explores this seeming paradox in his groundbreaking study *Literary Bondage* asking why this literary genre has remained a viable means of expression Applying Foucault's theory of counter discourse to a vast body of antislavery literature Luis shows how these narratives have always served to undermine the foundations of slavery to protest the marginalized status of blacks in Cuban society and to rewrite the canon of acceptable history and literature He finds that emancipation did not end the need for such counter discourse and reveals how the antislavery narrative continues to provide a forum for voices that have been silenced by the dominant culture In addition to such well known works as Cecilia Vald's *The Kingdom of This World* and *The Autobiography of a Runaway Slave* Luis draws on many literary works outside the familiar canon including Romualdo uno de tantos Aponte Sof a La familia Unzuazu El negrero and *Los guerrilleros negros* This comprehensive coverage raises important questions about the process of canon formation and brings to light Cuba's rich heritage of Afro Latin literature and culture **No Slave-hunting in the Old Bay State** Wendell Phillips, 1859 **Mr. Khrushchev Goes Slave-hunting** Oleh Semenovych Pidhainy, 1956 **Slavery and Servile Societies in Korean History** Reinhard Zöllner, 2025-10-20 This study examines the long overlooked institution of slavery in Korea challenging its erasure from historical narratives and reassessing its role within the country's socio political structure It explores how slavery deeply embedded in a lineage based aristocracy functioned not only as an economic driver but also as a hereditary status system that reinforced elite dominance and self preservation Using the concept of servile society a society in which strong asymmetrical dependency is linked to hereditary social status in law and custom the book examines how hereditary dependency shaped elite power governance and social hierarchies over centuries The study combines political and legal history social structures and ideological frameworks to present the latest research on slavery in ancient Korea It examines how slaves were constructed as a special species in the Korean Middle Ages analyzes the role of slavery in the yangban dominated society of the early modern period based on political intellectual discourses and statistical data and tracks the expansion of slavery discourses in Japanese and Western reception after c 1800 based on texts and photographs and examines the aftermath of slavery in the present **Law by Night** Jonathan Goldberg-Hiller, 2023-11-28 In *Law by Night* Jonathan Goldberg-Hiller asks what we can learn about modern law and its authority by understanding how it operates in the dark of night He outlines how the social experience and cultural meanings of night promote racialized and gender violence but also make possible freedom of movement for

marginalized groups that might be otherwise unavailable during the day Examining nighttime racial violence curfews gun ownership the right to sleep and take back the night rallies Goldberg Hiller demonstrates that liberal legal doctrine lacks a theory of the night that accounts for a nocturnal politics that has historically allowed violence to persist By locating the law s nocturnal limits Goldberg Hiller enriches understandings of how the law reinforces hierarchies of race and gender and foregrounds the night s potential to enliven a more egalitarian social life **Dred.
