Sleeping Fires:

Sleeping fires G. Gissing, *Sleeping Fires* Gertrude Atherton, 2016-05-01 What starts out as a much anticipated wedding among members of the high society set in 1870s San Francisco eventually devolves into a tragic story of a doomed love triangle in Gertrude Atherton's deeply moving historical romance novel *Sleeping Fires* **Sleeping Fires; a Novel**

Gertrude Franklin Horn Atherton, 2025-08-15 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **Sleeping Fires** Gertrude Franklin Horn Atherton, 2004-10 There was no Burlingame in the Sixties the Western Addition was a desert of sand dunes and the goats gambolled through the rocky gulches of Nob Hill But San Francisco had its Rincon Hill and South Park Howard and Folsom and Harrison Streets coldly aloof from the tumultuous hot heart of the City north of Market Street In this residence section the sidewalks were also wooden and uneven and the streets muddy in winter and dusty in summer but the houses some of which had come round the Horn were large simple and stately Those on the three long streets had deep gardens before them with willow trees and oaks above the flower beds quaint ugly statues and fountains that were sometimes dry The narrower houses of South Park crowded one another about the oval enclosure and their common garden was the smaller oval of green and roses The !Kung San Richard Borshay Lee, 1979-12-12 For most of human history hunting and gathering was a universal way of life Richard Borshay Lee spent over three years conducting fieldwork among the Kung San an isolated population of 1 000 in northern Botswana When Lee began his work in 1963 the Kung San were one of the last of the world's people to live this life By 1973 when Lee last lived with the group it appeared that they Kung were a society on the threshold of a transformation that signalled the end of foraging as an independent way of life at least in Africa The Kung San Men Women and Work in a Foraging Society an ecological and historical study is Professor Lee's major statement on his research By maintaining simultaneous historical and synchronic perspectives Lee is able to extend his analysis of core features from the contemporary Kung to prehistoric societies These basic principles become the means to understanding the form of human life that has been obscured by the developments and complications of societies during the last few thousand years **Correct English**, 1921
